

Mission, and \$80.00 was offered in thanksgiving to the Giver of all good.

Through the wreck of the S.S. "Roumania," the supplies for the schools and hospitals in India were lost, this Society contributed \$5 worth of goods towards renewing the supply.

In closing this report, our earnest prayer is that God who has blessed our feeble efforts for the advancement of His kingdom may stir up our hearts to fuller consecration and greater liberality, and that this year may be one of rich spiritual blessing, both to our own Society and to the work at home and abroad.
