## LONDON NOTES

Mr. Lawrence Melbourne of Windsor visited Miss Marguerite Moxley of Grey Street a few days ago. Mr. Melbourne expressed himself as having been in love with our city and with a certain young lady in particular.

### Card of Thanks.

Will the many dear friends who were so kind to us during our recent bereavement in the loss of our girlie, Lillian Esther, kindly accept our sincere thanks.

Rev. and Mrs. E. A. Richardson,  
424 Gray St., London, Ont.

Lillian Esther, twelve year old and eldest child of the Rev. and Mrs. E. A. Richardson, fell asleep in Jesus, Thursday, June 6th, in Victoria Hospital, where she had been for two months of a period of seven months' illness.

A brief service was held in the Beth-Emanuel Church when Rev. J. Bruce Hunter, pastor of Metropolitan United Church officiated. Six girls of the church acted as pall bearers to the train, when the remains were taken to Toronto, home of her parents, for burial.

The Get-Acquainted Club held their Fourth Anniversary Service at Beth-Emanuel B.M.E. Church, Sunday, 19th.

While the service under the direction of Mr. Frederick Ball was worthy of a full house, there were but few in attendance. The singing by the Club was indeed inspiring, but was lacking in balance of parts and tone-color owing to sickness and bereavements depleting their numbers.

Mrs. Bertha Moxley very affectionately sang "Alone"; Mr. Paul Lewis rendered a baritone solo, "I Come to Thee" The male trio also rendered "Drifting."

Miss Florence Drake presided at the organ as well as playing the piano accompaniments.

Rev. Richardson, pastor of the church, extended greetings to the Club and congratulated them on their fourth anniversary, also in high terms of appreciation on their assistance rendered to the needy during the past year. Mr. Richardson also said that men and women with talent and earnestness as he had found in the members of the Club, if consecrated and surrendered to the Christian cause would enable the Churches of London to reach many and glorify the cause of Christ.

Mr. Ball speaking for the Club, extended good wishes for the sick of our community and sympathy to all who had been bereaved.

The sick among us are: Mrs. Nellie Washington, in Victoria Hospital, improving slowly. Mr. C. H. Brown in Victoria Hospital, condition remains the same; Mr. Clifford Phoenix, in Victoria Hospital, improving satisfactorily. Mr. Wm. Booker, in Victoria Hospital, slightly improving.

Last Thursday evening Miss Leta Smith and her brother, Fred, both of Woodstock entertained at the home of Evelyn Jenkins in honor of Miss Mildred Smith also of Woodstock, but who is residing in the city at present. This affair was in celebration of Mildred's birthday. Miss Jean Selby of Woodstock was another out of town guest. The young people spent
