Soldiers Home Coming Campaign

The Emergency Call

Many organizations are willing to assist a deserving case. The Salvation Army is ready to assist in any emergency. That is why the Salvation Army's need for funds at this time must meet with whole-hearted response.

With the repatriation of 300,000 soldiers, notwithstanding all that the Government is planning to do to meet the needs of the men, countless problems will arise, problems of human need, problems that must be met and coped with AT ONCE. They are not things that can wait.

That is why the Salvation Army Emergency Homes are centres of such steady activity. When an emergency arises in the home of a soldier who has done his bit, there must be prompt response, however difficult the individual problem. Here are a few typical cases:

Husband, a discharged soldier, goes to another town to work. Fails to send money home. Salvation Army finds family helpless with hunger and cold. No coal in house. Family all removed to Emergency Home, where in tiny, two-room suite, sufficiently furnished and warm, they can exist in something approaching comfort until the breadwinner can help them.

In an adjoining suite may be a mother and children on the way to rejoin father in another city. A missed train connection or any one of a hundred mishaps leaves them stranded for the night.

A room in a Salvation Army Emergency Home is seldom vacant for more than a few hours at a time, and with the crisis arising from the difficulty of re-establishing so many soldiers into civilian life, there must be no cessation in the work for lack of funds.

Salvation Army Million Dollar Fund THIS WEEK

And the Emergency Home work is just one small part of the work for which the fund is needed. The Salvation Army must provide comforts for the boys over there awaiting transportation home. The Salvation Army Hostels from France to Vancouver must be ready at all times to receive and entertain returned men. The soldier must be helped back to civil life; he needs a job; perhaps he returns to find his wife sick, and a friendly hand needed in the home now and then. The Salvation Army visitors find ample opportunities for service, and they are instrumental in holding many a home together.

The soldier's child has the right to be well born, and there will be many an ex-soldier heartily glad that his wife can benefit by the attention of doctors and trained nurses at the Salvation Army Maternity Home.

Many of the boys will return to happy homes, homes well provided for. Difficult as it may be for even these men to accustom themselves to the old ways of living, their problem is simplicity itself compared with that of the soldiers and their families that the Salvation Army will be called upon to help.

And this help MUST be forthcoming. Our returned men must not be left to drift. It is the personal problem of the nation to-day, and every thinking man and woman is thoroughly grateful that there is an organization equipped to meet the crisis—an organization trained for this very work—an organization whose work is founded on sacrificial service—whose every ministrations is prompted by such a love as that of the Good Samaritan.

Let your offering on behalf of the Homecoming Soldier be a measure of your sense of obligation to those who died for you on the battlefield.

"It is more blessed to give than to receive."

Apply this soothing, penetrating oil directly upon the ache, and like magic, relief comes. "St. Jacobs Liniment" conquers pain. It is a harmless backache, lumbago and sciatica relief, which never disappoints, can not injure and does not burn or discolor the skin.

Straighten up! Stop those torturous "stitches. In a moment you will forget that you ever had a back, because it won't hurt or be stiff or lame. Don't suffer! Get a small trial bottle of "St. Jacobs Liniment" from your drug-gist now and get this lasting relief.

WEAK, NERVOUS CHILDREN QUICKLY GET STRENGTH UNDER FOLLOWING PLAN.

Nervousness, just like weakness, is a family predisposition. We inherit tendencies to disease just as we inherit physical resemblances. At home—these all tend to make nervous troubles among children. No wonder that St. Vitus' dance, Epilepsy, and constant headaches have become alarmingly common. Pale, nervous, listless youngsters are met everywhere.

It is nothing short of criminal for parents to neglect signs of weakness in their children. By ignoring the slightest symptom of nervousness, you may condemn your child to life-long invalidism. If any member of your family complains of headaches, fear of going into dark places, give them that wonderful tonic, "Ferrozone." Strength of body and mind, hardy nerves, ability to study with comfort, all the attributes of health quickly follow the use of Ferrozone. It establishes strength, color, endurance, vim—does this by filling the whole system with nourishment and tissue-forming materials.

It is because we know the enormous good that Ferrozone will do because we are sure every child and even grown folks, will be permanently benefited, that we urge you to give it a trial. All dealers sell Ferrozone in 50c. boxes, six for \$2.50, or direct by mail from The Catarthozone Co., Kingston, Ont.

PEACE DELEGATES NEARING GENERAL AGREEMENT.

Paris, Jan. 19.—The plans for a league of nations have been reduced to very definite form. The general indications are that the statement of the principal nations are steadily drawing together on a structure which will have the support of all, the informal discussions having brought the community of ideas to a point where it may reasonably be expected soon to appear on paper.

It is understood that the general plan which is now most approved in substance by all the parties concerned rejects the theory of the super-sovereignty of an international police force.

The Delicate Problem.

It also contemplates the working out as the development of the league progress of the most delicate question of all—disarmament—which particularly affects the British navy. The same principle, it is proposed, shall apply to the other nations associated in the war against Germany.

The first woman county clerk in New York State is Miss Ellen P. Yates of Jamestown, who has been elected clerk of Chautauque County.

Tabulation of the votes of the annual conference of the M.E. Church, South, shows that lady rights for women of the church is assured.

The great series of mural decorations painted for the senate chamber of the Pennsylvania State Capitol by Miss Violet Oakley of Philadelphia is soon to be unveiled and dedicated by the Governor.
