fine Steel engraving in each. NOTICES OF THE PRESS:

"We intended this week a lengthy notice of the first number of this work, but in consequence of a pressure of news, not to be omitted, we must delay it for a future occasion.

"We shall only say now that the original is a work of the very highest reputation; that it includes everything in record, or in traditions, about our gracious and blessed Lady, and that Mrs. Sadlier is the translator of that original. Her name is praise enough.

"As to the typography and paper, the Sadlier's seem to have considered this their test work, and to have spared no expense in making it, what it is, the most perfect of its kind. The Life of our Blessed Lady, so produced, will surely have a place in every Catholic household in the New World."—American Celt.

This life of the B. V. has been translated from the French of the Abbe Orsini by Mrs. Sadlier, and is issued with the recommendation of the Archbishop of New York. The publication will be completed in fourteen numbers. The specimen before us is a splendid exhibition of the typographical art, and gives promise of a volume of great richness. It is also illustrated with several charming engravings."—Philadelphia Carbolic Herald.

These magnificent Ships are all AMERICAN BUILT, and constructed expressly for Packets. They are all New and of the First Class, being built on the most improved principles, and of the best materials. They possess all modern improvements which conduce to health and comfort, as a superior system of lighting and ventilating, the very best Provisions, and a careful medical superintendence. The Captains have been carefully selected as first rate sailors and men of humanity, and an experienced Surgeon is attached to each Ship, and no expense is spared to render this the best and the most popular conveyance to America. As Train & Co. have made such arrangements in Liverpool asswill Protect their friends from the trauds and impositions sometimes practised there, they believe that those who pre-pay passages cannot but see the adthe trauts and impositions sometimes practised there, they believe that those who pre-pay passages cannot but see the advantage of being able to engage with a Respectable House, on favorable terms, for a well known Line of magnificent Packet Ships, and in this way avoid the disrespect, annoyance and delay which they so often experience, when they engage with Agents who are but slightly connected with transient Shins.

As a proof that their Immigration business is conducted on principles uniformly honorable and humane, and that they have been distinguished for the most exact fulfillment of all their Engagements, we are permitted to refer to the Very Rev. THEOBOLD MATHEW, Cork, Ireland.
