Tomorrow's schedule brings up the most crucial battle so far, Sophs vs. Mesquiteers. Both teams are well out in front of the others, and their game should pretty well settle first place. Freshmen bowl Wildcats and Roughriders meet the Joy Riders in the other games. We wish to ask all bowlers to please be present for their games and to be on time. The league playoffs begin in three weeks, and your team deserves your support.

It's bad when two possibles get together Ellen.

Ralph and Bob looked positively wolfish heading across the bridge on the bus Sunday nite. If it's what we think it is we're amazed!

We suspect that the bud of romance is beginning to become love-in-bloom in the lives of Jackie and Ed. Ga Ga.

We won't tell the coach, Jerry.

Beulah was simply beaming at the Dramatic Society Banquet. Reason: the proximity of Jim McMillan.

And now Mr. Evans will lead us in "The King". Gulp!

Import if you will fellows. Frankly, we think Fredericton produces a higher percentage of pulchritude than gray Saint John.

**Why Don't They**  
Why can't the boys have an improved common room. The place they have now is drafty, dirty and just as public as the tuck shop.  
We have had quite a few indoor social activities. Why don't we get together and have an outdoor party such as a hike, a sleigh ride or a moccasin dance. We have the ideal campus for outdoor parties, let's get together and use it.

**Sophomore Class Plans Tournament**

March 1st and April 14th were agreed upon as tentative dates for these events. Details of the tournament were left to a committee which was elected at a previous meeting.
