

Dal students to race in Joe Howe criterium

AS ANYONE ON THE DALHousie campus knows, many of the students are cycling enthusiasts and several of them will be participating in the Joe Howe Criterium on the Halifax Commons Sept. 22nd.

Jamie Gillis, the race organizer, called the event "one of the major cycling events in Halifax, probably the second largest bike race for the summer locally." 150 to 200 racers are expected to enter.

The race will get underway at 12:30 with the Under 16 Boys and Novice Women events. Open Men's starts at 1 p.m., while a 1:45

start is scheduled for the licensed racer with cadets and senior four women. The final race of the afternoon, the main event, starts at 2:45 p.m. with the Junior and Senior twos and threes.

The race is being put on by the Halifax-based Corsa Bicycle Club.

The Nova Scotia Canada Games Team will be participating as will representatives from the Valley, Cape Breton, and South Shore. David Campbell of the Valley Wheelmen, who is the current leader in points in Nova Scotia, will also be participating.

Watch next week's Gazette for a special on the CIAU Final Four men's basketball in Halifax.
