Waterways - St. Lawrence

Memorandum for the Prime Minister

St. Lawrence Waterway

Mr. Lapointe proposes to sail on September 24th. I see that a big banquet is being given for Mr. Ferguson on September 19th, at which he may possibly make an announcement regarding the coming Provincial elections. If a Conference with Mr. Taschereau and Mr. Ferguson is to be held before September 24th, and if you are to have a preliminary conversation with Mr. Taschereau, there is not very much time in which to make all the arrangements.
