**Dear Mr. Meighen,**

Enclosed you will please find clipping from the  
Free Press of this morning of Arthur Ford's speech to the women  
last evening which I thought would be of interest to you and would  
say that Arthur done fine and wish that he would get out more than  
he does as he takes well with all concerned.

Everything is going along fine up this way and am  
sure that if we have another crack at them we will improve our  
position considerably.

See by the paper this morning that they are going  
to put the closure on you and personally I think that this is darn  
poor politeness for the Grits to pull off and am sure that they will  
not gain anything by doing so.

Hoping to see you in Toronto on the 26th, I am,  
Yours sincerely,

*Gordon M. Reid*
