If you want to get all the best fruit on the tree, hand picked, you must use a WAGONER EXTENSION LADDER. You cannot reach the middle of the tree, where the best apples grow, so readily with any other. It is light and easily handled, and enables a man to pick more apples in a day.

International Bible Lesson for Tomorrow—David brings up the Ark—II. Sam., 6, 11-12.

Golden Text—"Blessed are they who dwell in thy house."

The Ark was no piece of church furniture, invented by man, but was ordained of God, as all the other types of heavenly things were, in the symbols of the Tabernacle used in His worship. The Ark and its cover, the Mercy Seat, was the meeting place where God and man met for communion. Once a year, on the day of atonement only, the High Priest—no one else could—entered the most holy place, with sprinkled blood and incense, confessing his own sins and the sins of Israel before God, in the Shekinah, on the Mercy Seat. Yet here this sacred Ark was exposed and dishonored by David's and Israel's irreverence; drawn about by busboys and not carefully carried by men of God's appointing. The Ark reminds us of God's just judgment on the old world in Noah's time, and of the way God saved his people from the flood; it was a type of our Saviour, the Lord Jesus Christ, who saved His people from their sins. The Ark contained the law on tables of stone, covered by the blood sprinkled Mercy Seat, and pointed to the law giver, the law keeper and the law satisfier, Jesus Christ, who by His own blood entered for all and became our High Priest for ever. God defends this revelation of Himself through the Ark by the sudden judgment of death on Uzzah, as on Nadab and Abihu, who offered false fire, and as on Ananias and Sapphira, when they dissembled and lied to the Holy Ghost. "They that worship God must worship Him in spirit and in truth." Nothing but Godly sincerity is acceptable to Him. He cannot be imposed upon; the wonder is there are not sudden deaths in all our churches; but He spares to save and those who receive our Lord Jesus Christ are blessed, as Obbedom was and all that pertained to him, because of the Ark of God. This lesson was needed to check irreverence and presumption in Israel—sins which are too common to-day.

IN OLD AGE

the question of health becomes mainly a question of nutrition. If the stomach and other organs of digestion and nutrition are kept in a healthy condition there will be a well-nourished body, and little liability to disorders of the liver, bowels or such other disorders as may result from indigestion and lack of exercise.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition, and also diseases of old age which are caused by the diseased condition of the stomach. By enabling the perfect nutrition of the body it increases the vital power and promotes a vigorous old age.

"I was a sufferer from chronic diarrhoea for five years," writes Mrs. Mary A. Aaron, of Belle, Ohio Co., Mo. "I tried different remedies, which would give me relief for a short time only. My trouble would return as bad as ever. I consulted you in July, 1900, and by your advice commenced using Dr. Pierce's medicines. I took three bottles of the 'Golden Medical Discovery,' three vials of the 'Pelle's' and some of the 'Extract of Smart-Weed,' as you advised. I have not had any return of my trouble since using your medicines. Am now seventy-one years old and I never had anything to relieve me so quick. I think Dr. Pierce's medicines the greatest on earth. Should I ever have any return of my trouble shall use your medicine. My thanks to you for your advice and thanks to Almighty God for restoring me to health through your hands."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach, blood and lungs.

FORGET THEM!

"Forget thee?" If to dream by night, And muse on thee by day, If all the world is deep and wild, A poet's heart can pray, If prayers in absence breathed for thee To Heaven's protecting power, If winged thoughts that flit to thee, A thousand in an hour, If busy fancy blinding thee With all my future lot,— If this thou call'st "forgetting," Thou, indeed, shalt be forgot, "Forget thee?" Bid the forest birds Forget their sweetest tune! "Forget thee?" Bid the sea forget To swell beneath the moon; Bid thirsty flowers forget to drink The dew's refreshing dew; Thyself forget thine own "dear land," And its "mountains wild and blue," Forget each old familiar face, Each long-remembered spot— When these things are forgot by thee, Then thou shalt be forgot, Keep, if thou wilt, thy maiden peace, Still calm and fancy-free, For God forbid thy gladsome heart Should grow less glad for me; Yet while that heart is still adown, Oh, bid not mine to rove, But let it nurse its humble faith And uncomplaining love; If these, preserved for patient years, At last avail me not, Forget me then, but ne'er believe That thou canst be forgot.

"The Second Mrs. Tanqueray," which Miss Sadie Martinot will soon present here, has been translated and produced in every civilized country of the globe. Its brilliant author, Arthur Wing Pinero, has received a fortune in royalties from "The Second Mrs. Tanqueray," whose adventures have aroused more discussion and criticism than any other play heroine of the past decade. Miss Martinot's performance of the beautiful, but misguided Paula, compares favorably with, and often surpasses those of Mrs. Patrick Campbell, Mrs. Kendal and Olga Netherstone, all of whom have successfully essayed this part.

"Side Tracked," with its scenic and mechanical effects, its funny tramp, German and Irish comedians, its saucy hoydens and charming lovers, will be the attraction at the Grand on Saturday night, October 10th. There is a vim and go about the play that captures the gallery as well as the elite of the audience. The special scenery is effective and several strong specialties assist materially in the action of the play.
