

THE following Resolutions were passed at the General Meeting, and from their importance they are given at length :—

RESOLVED, That agreeably to the suggestion contained in the Report of the Committee, a Conference be sought with the Governors of the College, for the purpose of consulting as to the best mode of procuring such an alteration in the Charter and Provincial Statutes as may secure the management of the College in the hands of those whose affections are engaged in its behalf, instead of entrusting it to ex-officio members who may or may not be friends of that Institution.

RESOLVED, That the Governors of the College be respectfully requested to take into their consideration the expediency of disposing of part or the whole of the wilderness lands belonging to the College, which are yearly suffering by the depredations of trespassers, and perhaps may at last be wholly alienated from the Institution.

WHEREAS, the Society P. C. K. has granted the sum of £1000, Stg. in aid of the funds of the College, to meet the sum of £2000, raised by the Alumni, which grant has already been funded : And whereas the said venerable Society has also been pleased to promise the further sum of £1000, Stg. whenever the friends of the College shall procure an additional sum of £2000 to meet this second grant, towards which latter amount about £700 had been raised when the late lamented Bishop was removed by death, leaving only a balance of £1300 to be now collected in order to entitle the Institution to this second munificent grant of £1000 from the Society P. C. K. and thus add the large sum of £3250 in all, to the funds of the College. Therefore RESOLVED, that it is highly essential, that energetic measures should be adopted, without further delay, to render that grant available for the support of the College—and that the attention of the Right Reverend the Visitor, be respectfully invited to this important point.

The money collected for the Jubilee fund in Nova Scotia, (about £130,) has been set apart as the commencement of a fund for endowing a Professorship of Pastoral Theology, at Windsor.
