SACRED HEART LEAGUE—GENERAL INTENTION FOR JULY.

The Canadian Messenger says: "Through the month of July we shall offer to the Heart of Jesus through the Immaculate Heart of Mary, our prayers, works and sufferings in order that the making of retreats may become more common, and a straying world be brought back to the path of faith and duty. For our own part we shall strive to make a retreat every year."

In the article of which the above is the closing paragraph, we are told something of the spiritual exercises of St. Ignatius, a work written by the great soldier saint after his conversion and while in retirement in the cave at Manresa. It is said that after the Bible, no work has caused so much discussion or exerted so wide an influence as these Exercises. The book is made up of the exercises with which Saint Ignatius filled the time during which he was "making a retreat," as we say nowadays. In the now famous cave. The exercises are the most complete, comprehensive, and systematic compendium in existence of all that is necessary to lead a Christian life, and to gain as a consequence a happy eternity. This book, however, requires not only to be read but to be studied, and for this time and retirement are necessary; hence missions and retreats, during which the exercises are studied and practised, are commended as an accompaniment to the Exercises. We in Toronto have some experience, speaking generally, of missions, but the busy life of a city seems to proscribe retreats, except to the few. The July intention however may spur many on to attempt that which before seemed an impossibility, and the making of a retreat may become much more easy than was previously thought possible.

FEAST OF THE SACRED HEART. Friday of this week being the Friday within the Octave of Corpus Christi, is the Feast of the Sacred Heart. In it the devotion of the month culminates, for while June is the month of the Sacred Heart, Friday is the day specially set apart as the Feast, and while to Catholics everywhere it is a beautiful and suggestive occasion, to members of the now great association of the Sacred Heart League, it is a day specially to be noted.

ORDAINED FOR CHINESE MISSIONS. Rev. Father William Fraser, son of Mr. Wm. Fraser of Clinton street, Toronto, was ordained to the priesthood two weeks ago at Genoa. Father Fraser is intended for the Chinese Missions, and will thus make the second member of this family who have devoted themselves to that distant field, his brother Father John Fraser being there already a resident of some years' standing.

WEDDLING—HOLDING. A very pretty wedding was witnessed at St. Paul's church on Monday the 19th inst., when Mr. John B. Wendling of Berlin, Ont., and Miss Elizabeth (Doris) Holding, daughter of James W. Holding, were united in matrimony. Rev. Father Hand, P.P., officiated. The bride was prettily gowned in cream silk eolienne and lace, and was attended by her sister, Miss Daisy, in a pretty dress of point d'esprit, worn over blue silk. The groom was supported by his brother, Mr. E. Wendling. At the breakfast afterwards served at the home of the bride's father, only the immediate relatives of the contracting parties were present. Mr. and Mrs. Wendling afterwards left for Berlin, the home of the groom's parents.

ST. FRANCIS' SCHOOL. St. Francis' Sanctuary Society, by arrangement with the Very Rev. Wm. McCann, the holy sacrifice of the mass will be offered in our parish church at 7.30 o'clock on Saturday next, for the happy repose of the soul of the late Mr. M. Corcoran.

THE FEAST OF CORPUS CHRISTI. The celebration of the Feast of Corpus Christi was observed in the churches of the city according to their different facilities. At the cathedral the Archbishop presided and preached upon the feast of the day. Rev. Father Whelan was celebrant of the Mass, assisted by Rev. Fathers Rohleder and Murray. After Mass the Blessed Sacrament was carried in solemn procession round the church. Benediction of the Blessed Sacrament followed. In the evening Vespers and Solemn Benediction were given. The singing throughout the day was of exceptional merit.

AT ST. MARY'S. At St. Mary's the Solemn High Mass and grand procession in honor of the Blessed Sacrament, and specially fine music marked the Feast of Corpus Christi. The Very Rev. Vicar-General McCann was celebrant, assisted by Rev. Fathers O'Donnell and Williams. The procession in which the Sodalties, Sanctuary Boys and young men of the association of the parish took part, the latter forming a guard of honor issued from the church into the grounds and back, forming a very impressive spectacle. Rev. Father Williams preached the sermon. Benediction of the Most Blessed Sacrament closed the ceremony as the process...

FIRST COMMUNION AT THE HOLY FAMILY.

The children of the Holy Family Parish made their First Communion at the 8 o'clock mass on Sunday last. The thirty little ones who formed the class had been carefully prepared for the important occasion, and their simple and beautiful appearance together with the earnest and appropriate address of the pastor, Rev. Father Coyle, had a very effective impression upon the congregation.

ST. MICHAEL'S HOSPITAL.

The rumors current regarding the enlarging of St. Michael's Hospital may not take tangible shape for some time. It is however in contemplation to enlarge the buildings of the institution just as soon as the necessary funds are available. It is a well known fact that though the surgical department is up-to-date in every particular being amongst the best equipped on the continent, yet the medical side of the house requires to be added to, both in size and in the many details which the necessities of the present day hospital demand. The central position too, and easy accessibility of the institution, make it imperative that more space accommodation be acquired in order to respond to the growing demands for admission into the hospital. A plan for enlargement and for providing the hospital with everything necessary to put it on a standing with the first hospitals of the Dominion is already mapped out. The authorities, however, are averse to entering upon improvements until a sufficient fund is guaranteed to warrant them in anticipating a successful finish to the work.

REV. FATHER FINEGAN DOING WELL.

Rev. Father Finegan of Barrie is at present a patient in St. Michael's Hospital, having undergone a slight operation from which he is rapidly recovering. It is expected that in two or three weeks Father Finegan will be completely cured and able to resume work. Meantime it is quite evident that he is not forgotten by the people of his parish, and his room at the hospital is made beautiful by the flowers sent to him by the school children of St. Mary's, Barrie.

C.Y.L.L.A. PIC-NIC. The annual picnic of the Catholic Young Ladies' Literary Association took place at Long Branch on Saturday afternoon.

OUTING FOR THE BOYS. The ladies of St. Francis parish had arranged an outing for the boys of the Sanctuary, to Oshawa on Monday last. Owing to injuries to her machinery the Argyle did not make the proposed trip. The route was, therefore, changed, the boys and their friends starting for Hamilton, where a delightful day made up for the disappointment of the morning.

GRAHAM—O'CONNOR. On Tuesday, the 20th inst., Miss Mary O'Connor was married to Mr. James Graham, both of Toronto. The ceremony took place at St. Paul's church, Rev. Father Hand officiating.

DEATH OF MRS. MULQUEEN. The death of Mrs. Mulqueen, widow of the late Patrick Mulqueen, and an old and respected resident of Toronto, occurred at her home, 272 Berkeley street, on Thursday, the 22nd inst. The funeral took place from St. Paul's church on Saturday morning, thence to St. Michael's Cemetery. R. I.P.

FUNERAL OF MRS. BEARDON. The funeral of Mrs. Beardon, widow of the late Thomas Beardon, took place from her home, 65 Esther St., to St. Mary's church, on Wednesday morning. The interment was at St. Michael's Cemetery.

Housekeepers

have been vexed when using cream of tartar and soda to find their work uneven. If sometimes good, at others the biscuit and cake will be heavy or sour or full of lumps of soda that set the teeth on edge. Flour, eggs and butter wasted. This is because the cream of tartar is adulterated or cannot be used in the proper proportions. Food always sweet and light can be assured only by the use of Royal Baking Powder exclusively. Royal is absolutely pure and healthful and does even work at every baking.

Russian newspapers are loud in praise of the Sisters of Charity who labor attending the wounded and dying on the field of battle. One says that it is impossible to relate how the presence of these saintly women who toil for the love of Christ, cheers our soldiers. One Sister, working in the field hospital, approached a wounded Japanese officer, who, in French, hastened to express his appreciation of her kindly assistance, but added that she probably mistook him for a Christian. "It makes no difference," she replied, "God has sent me here to work for all."
