We take all the risk; you have nothing to lose. It is a geological discovery, to which there is nothing added or taken from. It is the marvel of the century for curing such diseases as **Rheumatism, Bright's Disease, Blood Poisoning, Heart Trouble, Dropsy, Catarrh and Throat Affections, Liver, Kidney and Bladder Ailments, Stomach and Female Disorders, La Grippe, Malarial Fever, Nervous Prostration and General Debility**, as thousands testify, and as no one, save our firm, writing for a package, will deny after using. **Vite-Ore** has cured more chronic, obstinate, pronounced, intractable cases than any other known medicine and will reach such cases with a more rapid and powerful curative action than any medicine, combination of medicines, or doctor's prescription which it is possible to procure.

Vite-Ore will do the same for you as it has for hundreds of readers of this paper, if you will give it a trial. **Send for a \$1 package at our risk.** You have nothing to lose at the step to answer the announcement. **We want no one's money when Vite-Ore cannot benefit. You are to be the Judge.** Can anything be more fair? Who desires a person, no matter how profligate he or she may be, who desires a cure and is willing to pay for it, would hesitate to try **Vite-Ore** on this liberal offer? One package is usually sufficient to cure ordinary cases, two or three for chronic, obstinate cases. **We mean just what we say** in this announcement, and will not insist that you send us a check for a package at our risk and expense, giving your age and ailments, and mention the paper, so we may know that you are entitled to this liberal offer.

We this offer will challenge the attention and consideration, and afterwards the gratitude of every living person who desires better health or who suffers pain, ill, and disease which have defied the medical world and grown worse with age. We care not for your skepticism, but ask only your investigation, and at our expense, regardless of what life you have, by sending to us for a package. **Address**

Pain Was Unbearable

No. 1115 Vincent J. Harrington of Egmont Bay, P. I., One of the Thousands to whom Vite-Ore Has Done Good

SERIOUS KIDNEY TROUBLES

THOUGHTLESS if people have pain in the back and wonder why it is there, but they don't know what causes it and rub the back with liniments and apply poultices, plasters, but it is still there and keeps them dull the whole week to the fact that the trouble is in the kidneys and not in the back. The doctors have many ways of feeling if the patient's kidneys are working right and normally, they can prove by analysis, by examination of sediment, whether or not there is any irregularity. It does not seem like, however, to feel an ailment that the doctor's laboratory. The dull-aching pains in the small of the back, the drowsy, torpid, enfeebled, weary, languid, nervous, and aching limbs when arising from a sleeping posture, the inability to pass urine at night and that painful and point acute to trouble in those organs, a trouble that will not be treated promptly and effectively. That Vite-Ore produced such a treatment on my suffering brother, Mr. Vincent J. Harrington of Egmont Bay, P. I., will demonstrate beyond the shadow of a doubt, as my possible detail.

Read What He Says:

REMOVY HAY, P. I. Works had me to tell how I have suffered and what Vite-Ore has done for me. I had cured me of kidney trouble after having a sufferer for several years. My back aches and pains were so sore that if I were to work five minutes in a sleeping posture, I would take two hours to straighten up again, and the pain was so intense and unbearable. I had it as I was at 16 years and I give thanks to Vite-Ore for the great change.

VINCENT J. HARRINGTON.
