OUR BOY'S MEETING.

THE attendance at the Friday evening meetings has kept up remarkably well during the summer months, and those who attend appear interested in the Bible study, and other forms of instruction adopted.

The Committee intends making ar-

rangements whereby the Lectures and Meetings for the coming season will be of increasing interest and value to our boys. Full particulars of these arrangements will be given in a future issue,

BOY'S LECTURE COURSE.

AS announced in our August issue, Mr. Chas. Edwards will deliver the seventh lecture of the course, on Friday evening, 28th inst. Mr. Edwards adopts as a title for his lecture, "Kobwebs from New York." We are not posted as to the exact qualities to be discovered in these special "Kobwebs." but it is beyond doubt that Mr. Edwards feels assured that they possess strength and elasticity in sufficient proportions to enable him to weave therefrom an interesting lecture. We hope to see a large turn-out of our young friends. Admittance will be by ticket, to be secured at the Y. M. C. A. Rooms, any day after the 15th of September.

THOU SHALT CALL HIS NAME, JESUS.
