"Z" Engine with  
Bosch Magneto*

# Now-There is Only One Farm Engine

**J**UST think of the famous "Z" Engine with a Bosch high-tension, oscillating magneto—which delivers a steady succession of hot, intensive sparks. Every farmer in Canada should at once call on the nearest "Z" Engine dealer and see the result of this recent epoch-making combination—**FAIRBANKS-MORSE "Z" ENGINE WITH BOSCH MAGNETO.** Mechanical perfection, plus power—and right price—to date sold the "Z" Engine to over 250,000 farmers. This quality and quantity production enabled us to contract for a large proportion of the extensive Bosch facilities for making this one possible "Z" betterment, which establishes a new farm engine standard. And all Bosch Service Stations throughout Canada will assist our dealers in delivering maximum engine service.
