## SUNNYSIDE STOCK FARM.

"Sunnyside," illustrative of cheerful surroundings, the farm bearing that happy cognomen, the property of W. E. Wright, Glanworth, Ont., a few miles south of London, is certainly well named, with its splendid farm buildings and well-kept lawns, every appearance is indicative of peace, plenty and contentment. Few breeders in Ontario have been before the people through the columns of "The Farmer's Advocate" so many years as has Mr. Wright, his specialty being Chester White hogs, Shropshire sheep, Bronze turkeys, and Red Cap poultry. Of the high-class character of Mr. Wright's stock in these particular lines, the public are well aware. For years in competition with all comers at Toronto, London and Guelph, the result has always been added honors and new customers. There are no better bacon-type Chester White hogs to be found than those of the Sunnyside herd, and what is of more interest to mail-order buyers, is the fact that Mr. Wright always describes things just as they are. For sale are some exceedingly choice young boars and sows of breeding age, and younger ones; also a number of Shropshires, choice, and well covered, a number of Bronze turkeys and cockerels and pullets. Of special interest is the fact that pullets from eggs bought of Mr. Wright won two firsts at Toronto this year.

## GEO. G. STEWART'S CLYDESDALES.

There never was a time in the history of Canada when the shortage of draft horses was so keenly felt as now, nor a time when, as a profitable investment, it was more opportune for Canadian draft-horse breeders to add an extra mare or two to their breeding stock. Such an opportunity is now offered by Geo. G. Stewart, of Howick, Que., as lately he has landed at his stables his new importation of four Clydesdale stallions and eight fillies, two of the latter being sold immediately after landing to a breeder of Western Ontario for a good round price, as they were a high-class show pair. Breeding unexcelled is shown in the pedigrees of every one, both stallions and fillies, while for substance, character and quality of underpinning, no one looking for such will be disappointed on looking them over. They are a big, bonnie lot, and all the fillies were bred in Scotland. Earl of Ancaster [9690] is a brown two-year-old stallion, by the celebrated champion, Royal Chattan, dam by the famous Mains of Aries, granddam by the no less famous Prince of Kyle, great-granddam by Darnley. King's Chamberlain [9691] is a bay two-year-old, by the good breeding horse Royal Blend, dam by Brown Lawrence, granddam by Ochterlony. Lord Howick [9692] is a bay two-year-old, by Royal Blend, dam by the noted Cawdor Cup Champion, Prince of Carruchan, by Prince of Wales (673). Loyal Hero [9715] is a black two-year-old, by the Cawdor Cup champion, Revelanta, dam by Copestone, granddam by Loyalist. Outstanding characteristics of these young stallions are their great size, draft character, and good, flashy underpinning. Of the six fillies, five are two-year-olds, the other a three-year-old. Of the former, Bechnut [18676] is a brown, by Baron Ruby, dam by Prince of Brunstane. Violet McEwen [18677], another brown, is by Royal Favorite, dam by Prince of Albion. Spicy [18678] is a bay, by Ataballpa, by Hiawatha, dam by Brooklyn. Baron's Rose [18745] is a bay, by Baron's Best, by Baron's Pride, dam by McVicar. Chattan Princess [18716] is a brown, by Royal Chattan, dam by Prince of Kyle. Nellie Darnley [18718] is a brown three-year-old, by Darnley Again, dam by Prince of Albion, granddam by Macgregor. Of this lot, the Scottish Farmer says: "Several of them were winners at different shows in Scotland, and of the shipment as a whole, they are the best lot Mr. Stewart ever imported. For a quarter of a century Mr. Stewart has been importing Clydesdales, and he is noted for bringing over good ones, and certainly this bunch has size and quality enough to suit the Canadian demand."

## MEN! I'LL CURE YOU BEFORE YOU PAY ME

Let any man who is weak, broken-down, old and decrepit in physical weakness, full of pains and aches, gloomy, despondent and cheerless—any man who wants to be stronger and younger than he feels—let him come and tell me how he feels, and if I say that I can cure him, and he will show that he is honest and sincere, he need not pay a cent until I cure him.

The proposition I make to you is a fair one. It is an easy one for you to accept. All I ask is give me security that I will get my pay, and you can

## Pay When Cured.

If I don't cure you my Belt comes back to me and we quit friends. You are out the time you spend on it—wearing it while you sleep—nothing more.

I don't want money that I don't earn; I don't need it, and I am not after it. But I am after the dollars that are now going wrong in the quest of health. Look at these poor wrecks of humanity that are spending all they earn on drugs—dope that is paralyzing their vital organs—that have spent all they have earned for years without gaining a pound of strength for the hundreds of dollars wasted.

That is the money that I am after, because for every dollar I take I can give a thousand per cent. interest. And I don't want it at all until I have cured you, if you will secure me. I have cured so many cases right here that I can prove my claims to you, but if that proof is not enough, I'll cure you first and then you can pay me. Is that fair?

Most of the Belts that I am selling now are to men who have been sent here by their friends whom I have cured. I think that is the best evidence that my business is a success, from the standpoint of cures, as well as on the dollar side.

Never mind waiting until you use the last dose out of that bottle from the drug store. Begin now. Call and talk over your case with me, or send for my book. It costs you nothing. For over twenty-four years I have taught the great truth that "ELECTRICITY is LIFE," and have proved the soundness of my doctrine by making cures when others have failed time and again. Others have aspired to do the work I am doing with my ELECTRIC BELT. They offer you electricity in some other form, or an "electric belt" that possesses no curative power whatever. They are like "boys on bladders" floundering in a sea of uncertainty—while to-day the DR. McLAUGHLIN ELECTRIC BELT stands the world over as the most correct—the most perfect method of applying Galvanic Electricity to the body that has ever been devised.

Dear Sir,—Your Belt, which I have had for two years. I consider to be the only thing to tone up the human system, and I would not take twice the price of the Belt and do without it, for mine is just as good as new. I am in the prime of health, and weigh more now than I ever did at this time of the year, giving all the credit to your Electric Belt, the finest thing on earth.

GEORGE JONES, Falls View, Ont.

The Dr. McLaughlin Electric Belt cures Indigestion, Constipation, Weakness of the Liver and Kidneys, Rheumatism, Neuralgia, Lumbago, Sciatica; overcomes the effects of exhaustive habits—every sign of weakness in men or women. It puts new Life and Energy into the Nervous System. Ginger up! Use this Belt and become a Man!

Call at my office, or send me this coupon and I will mail you my 80-page FREE BOOK. It points the way to Health and Prosperity.

Dear Sir,—I have worn one of your Electric Belts for three months, as directed. I am very much pleased with it, as it has done more for me than I expected. I feel at present that I am thoroughly cured. I cannot speak too highly of it, and I hope it will do as much for others as it has done for me. I will strongly recommend it to all who suffer from any aches and pains.
