EATON'S RANGER SHOT GUN

A hard-shooting, accurate, satisfactory "double-barrel," that fits well into the place there is for a gun on every farm.

Sure death to hawks, foxes, coyotes and other petty marauders, as well as an ample provider of ducks, geese and chickens when such game makes a welcome addition to the pleasures of meal time.

Reliability in such a gun is, of course, a first consideration and we have made this a certainty in the "Ranger," so much so that these are the terms on which we sell it.

"We are confident that you will agree that the "Ranger" is even better than we state, but if on receiving it you should not be satisfied that it is the very best value for the price quoted, return it to us immediately and we will refund your money and pay charges both ways."

Could anything be fairer than this?

Order by Number 22HS109 if you want a 12-gauge gun, and by Number 22HS101 if you want a 16-gauge gun.

The details of construction are the same in both. Frame, breech, etc., are drop forgings; top lever action; bar rebounding locks; special main springs; Doolley and Edge butt-end; 30-inch Armory steel barrels, bored for smokeless powder; matted extension rib; right barrel modified and left lug.

Galloway Wagon Guarantee

We Guarantee "Galloway" Wagons to be well made of good material, thoroughly seasoned and of sufficient strength for all purposes for which they are designed. Should any breakage occur within one year from date of sale to the user, resulting from defective material or workmanship, new parts will be furnished without charge, provided the defective part is returned to us at Winnipeg as evidence of such defect.

GALLOWAY'S Standard Farm Wagon

Made Expressly for Use in Manitoba, Saskatchewan and Alberta

The best of materials, experience and honest construction combine to make the Galloway Wagon the great leader in its field. Nothing but the best material goes into the construction, and wagon makers—experts in their line—are thus able to produce the best that money can buy. Such wagons last longer, look better and give more efficient service than similar products not as faithfully constructed. Spokes, rims, gear, hounds, bolter stakes and poles are all of guaranteed heavy oak; wheels the best material and workmanship can produce; half-inch tires, cold set by hydraulic pressure, impossible to come off. Write for complete detailed description.
