The Shareholders of the above Company, who are responsible to Policyholders to the extent of their Subscribed Capital, are as wealthy a proprietary as can be found in connection with any Company in the Dominion. Lists of their names and residences will be placed in the Agents' hands for the information of the public on this point.

The Directors are now giving not only weekly but daily attention to the Company's affairs, and promptness in the transaction of all business, especially the settlement of Claims, may be fully relied upon.

Statements, both of the Company's current business and its assets and liabilities, will also be shortly communicated to the Agents, and cannot fail to be thoroughly satisfactory to all.

Its rates, whether for Fire or Marine Insurance business, are fair, and as low as experience has shown will yield a profit.

The Company is of old standing; it has no adjusted claim whatever against it unpaid; and its earnings are spent in Canada—not withdrawn either to the United States or the United Kingdom.

The patronage of the public, both in Toronto and at the Company's numerous Agencies, is respectfully solicited.
