Stick Out YOUR TONGUE!

What for? Because it may save your life!

It is the barometer that indicates the state of your health by its shape, coatings and colors.

Well, a pointed tongue indicates irritation and disorder in the stomach and bowels.

The full broad tongue shows want of proper digestive action.

The dry, pinched tongue is the tongue of acute disease.

The fissure tongue proves inflammatory action of the kidneys.

A dry tongue is evidence that the stomach and intestines cannot do much digestive work.

Coating of the tongue is the result of imtemperate eating and drinking. The Liver is deranged.

The broad, pallid tongue shows a want of alkaline elements in the blood. It is a danger signal.

The deep red tongue, generally dry, shows acid.

Dryness always indicates nervousness, and diseases of the nerve centres.

Extreme moisture shows the reverse.

Be your own doctor. Examine your tongue. It will show you whether or not you are in condition to stand spring weather changes.

If you are not almost any disease may strike you down. Get in condition at once by using the latest and best spring medicine.

DR. CHASE VISITING THE SICK.

Raised from a Bed of Sickness.

Dr. Chase's Catarrh Cure and Kidney-Liver Pills Combined for Perfect Health—An Interesting Cure After Long Suffering.

Simcoe, Jan. 18th, 1897.

Messrs. Edmanson, Bates, and Co., Toronto, Ont.

Gentlemen:—For over five months I was confined to my bed, not being able to move. The best medical skill was called in, all treating me for catarrh of the stomach, but to no avail. I could not eat the most simple food without being in dreadful misery, and found no relief until some was vomited up. After spending a large sum in medical advice, I was advised to try a box of Dr. Chase's Catarrh Cure. I said it was no use, for I considered mine a hopeless case from which I could not recover. At length I purchased a box from J. Austin and Company, Simcoe, and to my surprise found great relief. Not being able to eat I tried a box of Dr. Chase's Kidney-Liver Pills; the pain left me the third day. My appetite has been fully restored. I consider myself perfectly cured, and feel as well as when a young woman, although I am 65 years old at present. I was almost a shadow, now I am as fleshy as before my sickness. Have used only three boxes of Dr. Chase's Kidney-Liver Pills and only two boxes of Dr. Chase's Catarrh Cure. I can do my house work as usual. I am positive that my marvellous cure (which I think it is) is due purely to Dr. Chase's remedies, which I have used. I can honestly recommend the same to any persons suffering from symptoms similar to mine. Wishing you every success.

Yours, truly, MRS. ANN CHURCHILL, Sr.

A Boy's Life Saved

"One day my little boy, aged 7, got a fall and hurt his knee. Inflammation of the knee joint set in and the decay of the bone of the leg rapidly followed. Doctors removed over a hundred pieces of decayed bone, but the process of decomposition continued. All attempts to stop it failed. The boy had but a few days' life before him according to all human expectations. Mr. Denham, druggist, Petrolia, advised me to try Scott's Sarsaparilla, I did so, and not only saved but completely cured my boy."—JOSEPH DUNCAN, farmer, Lambton County, Ont.
