TAKE A RECORD. Many Friends are Hurt by

It would be just as reasonable for temperance advocate to drink a little diluted whiskey as to drink coffee, for one is as truly an intoxicant as the other, and persistence in the use of coffee brings on a variety of chronic diseases, notorious among which are dyspepsia, heart palpatation (ultimately heart failure), frequently constipation, kidney croubles, many cases of weak eyes and trembling condition of the nerves.

These are only a few of the great variety of diseases which come from an unbalanced nervous system, caused by the persistent daily use of the drug, caffeine, which is the active principle of coffee. Another bit of prima facie brought up at the Maritime Board evidence about coffee is that the victims to the habit find great difficulty, points in favor of a general reduction

in giving it up.

They will solemnly pledge to them of money by check or draft. selves day after day that they will abandon the use of it when they know that it is shortening their days; but the exportation of rossed wood and morning after morning they fail, until pulp. In this he was followed by James they grow to despise themselves for their lack of self control.

Any one interested in this subject

would be greatly surprised to make a systematic inquiry among prominent brain workers. There are hundreds of thousands of our most prominent people who have abandoned coffee altogether and are using Postum Food Coffee in its place, and for the most excellent reasons in the world. Many of them testify that ill health, nervous prostration, and consequent inability to work, has in times past, pushed them miner acompanied by his mate, back and out of their proper standing who was rather deaf, was walking in life, which they have been able to along the railway line the other day regain by the use of good health, strong nerves, and great vitality, since and on nearing the men it gave forth coffee has been thrown out and Postum

PALAGE IN WHICH THE PEACE DARROW MAKES SENSATIONAL PLEA FOR HAYWOOD'S LIFE

Never Wants Religion, He Says, if That is What is Influencing Orchard -Sneered at Universities and Culture,

BOISE, Idaho, July 24.—The career of

Frank Steumenberg, the murdered for-mer governer of Idaho, was discussed

at length this afternoon by Clarence Darrow in his plea in behalf of Wm. D. Haywood, charged with the murder. Justifying the articles published in the Miners' Magazine, the official organ of the Western Federation, Mr. Darrow said the action of Steune Properly stared intense feeling in labor against the governor. Mr. Darrow's argument, unfinished tonight, developed into an appeal for torlight, developed into an appear to labor as agging capital and a denun-ciation of all opposition to labor unions. He held an audience startled and openmouthed, as one after another of the sentiments poured from his lips. . His attack on Orchard was anticipated and in this respect he fulfilled and surpassed the limit of expectation. Three hours were given to Orchard and it was only when vituperation, physical force and words were spent that Darconnection with the death on the P. M. Ry, track north of Dresden on Sunday beading accurach for the state and the attack on Orchard was anticipated and
