

ONE HIT GAME IN CITY LEAGUE ON SATURDAY

Dominion Steel and Cordage Teams Played Best Game Of The Season, Munition Team Victorious 1-0; Keeton's Beat The Cubs

Baseball fans were accorded a real treat on Saturday afternoon, in the second of the regular city league games, which proved an encounter of historic tenacity, clean and snappy play going far to render the game the season's best locally. After the loosely played contest in which the Cubs went down to an 8 to 3 defeat at the hands of the Keeton's, the Dominion Steel and Cordage battled a close seven innings to a single run victory for the munition men, hammered out by dint of clean hitting in the last frame. The game was featured by twirling of the arm for the winners, heholding his opponents to one hit and fanning ten men.

The Cubs, in the initial game, scored twice in a first inning, on a walk issued to McKinnon, Henry's boot of Simmons' liner and Johnson's single. The Motor Trucks came right back in their half of the inning, tying the score on clean singles by Henry and Rupp, the first two men to bat, who were brought home on the infield outs of the two following batters. The Cubs added another in the third, on successive singles by Simmons, Summerhayes and Sears, but for the rest of the game were powerless against Buckborough's slants, while the Keetons piled up a total of six tallies in their half of the third, on safe hits by Henry, Everett, Scott, Anderson and Buckborough, combined with two errors by Hayes and a muffed fly by Gleason. The remainder of the game was scoreless on both sides.

The second encounter of the afternoon was without a doubt the best exhibition of baseball seen in the city yet this season, both teams putting up a fine brand of play throughout. Allen's twirling was remarkably fine, and the Dominion Steel as a whole with practically the same line-up as on Wednesday last, looked an entirely different organization from that which on that occasion went down to defeat at the hands of St. Thomas. At that, the munition men had little on their opponents and the Cordage bid fair to be a potent factor in the championship race.

The game was a neck and neck affair right to the last inning, clean snappy fielding and unusually tight twirling featuring upon both sides, Allen holding the Cordage to a single hit, and O'Connor allowing only two in the sixth inning. The Cordage threatened in the sixth, when Sears led off with his team's only hit of the game, and Beckett walked after Powell both runners advanced upon Wright's sacrifice fly, but Allen saved a tight situation by striking O'Connor out. In the seventh, Allen dropped an easy fly to Lee, giving the latter a life, but after Sears had fled out to right field, Powell hit into a double play by lifting fly to Doyle.

The Dominion Steel, in their half of the seventh, got away to a flying start and put the game on ice when Tillman singled, and Allen and McIntyre followed, swinging the munition men the game. The score:

Motor Trucks.

THEIR ONLY BUOY—ENGLISH GIRLS BATHING IN DEVONSHIRE

Before the war one of Mr. R. G. Knowles' most popular songs was "Three Women to Every Man." It now, in the third year of the war, aptly describes the state of affairs at the seaside in England. Photo shows a group of girl bathers at Paignton, where many visitors are enjoying themselves.

CRUISE AND ROUSH TIED IN NATIONAL

Tris Speaker Beats Sisler Out For Second Place To Cobb

Chicago, July 23.—Cruise, of St. Louis, has batted into a tie with Roush, of Cincinnati, for National League honors, unofficial averages released Saturday showing them hitting .331 Roush, playing in 78 games, five less than his rival, has driven out 99 hits for a total of 131 bases, while Cruise has stretched 99 hits for a total of 131 bases. The St. Louis outfielder made 12 doubles, six triples and three home-runs, against eight doubles, six three-base hits and one circuit drive, for Roush.

The terrific hitting of six Cincinnati players is keeping the club safely in the first division and in possession of team batting honors. Hal Chase, veteran first base star with Cincinnati, is a point behind the 300 class, and Catcher Clarke is hitting .321, but has played in only thirty-six games.

Hans Wagner, the Pittsburgh veteran, is batting .313 for 35 games. Carey, of Pittsburgh increased his lead in base stealing to 21. Hornsby is in possession of home-run honors with 8. The averages include games of Wednesday.

Leading batters for half of their clubs' games: Roush, Cincinnati, .331; Cruise, St. Louis, .331; Hornsby, St. Louis, .323; Fischer, Pittsburgh, .321; Griffith, Cincinnati, .317; Rariden, New York, .316; Rawlings, Boston, .313; Neale, Cincinnati, .311; Burns, New York, .293; Groh, Cincinnati, .299. Tris Speaker regained second place in the American League, the Cleveland star deposing Sisler, of St. Louis, with an average of .343. Sisler is five points behind. Ty Cobb fell off two points, but is showing the way with .373. Chapman, of Cleveland, increased his lead in sacrifice hitting and base stealing to 44 and 30 respectively. Pipp of New York still leads in home run hitting with six. Detroit clung to team batting honors with 254. Leading batters for half of their clubs' games: Cobb, Detroit, .373; Speaker, Cleveland, .343; Sisler, St. Louis, .338; Rariden, St. Louis, .327; Molans, Philadelphia, .315; Baker, New York, .314; Chapman, Cleveland, .310; Hellman, Detroit, .293; C. CANADIANS PLAY BASEBALL UNDER GUNS OF ENEMY

Sport Steadies Nerves Of Men At Front; of Incalculable Value

(By Stewart Lyon) Canadian Headquarters in France, July 23.—(By Mail)—Sports are followed with enthusiasm, not only by the troops in the back area but well up toward the front. Not very long ago I saw a hotly contested ball game on a bit of land subject to frequent gun fire, and on which the enemy planes were visible at any moment to drop bombs. Sport has done almost as much as patriotic ardor to steady the nerves of the Empire's sons for the great ordeal of war. The recreation and sport organization services have been of incalculable value in making and keeping the men fit for duty, and in lessening the amount of mischief idle hands are prone to do in the field as well as at home.

AIR RAID MADE UPON ENGLAND

London, July 23.—Another raid on the east coast was made this morning by a squadron of fifteen to twenty-one airplanes. They dropped bombs which, according to an official report, killed eight persons and injured twenty-five. The announcement follows: "A squadron of enemy airplanes, from fifteen to twenty-one, approached Felixstowe and Harwich at 8 o'clock yesterday morning. Some bombs were dropped, but the heavy fire from the anti-aircraft defence caused the enemy's formation to split up, part returning overseas and part proceeding south down the Essex coast. The latter party was heavily engaged by gunfire all down the Essex coast, and finally proceeded homeward without dropping more bombs. The raiders were pursued out to sea and heavily engaged by our airplanes, but the visibility was low and the difficulties of observation were very great. One machine was brought down. "The casualties at Felixstowe and Harwich so far are eight killed and twenty-five injured."

LEAF'S SPLIT WITH REBELS

Thompson Took First Game Saturday, Backed By Goo Hitting

LEAKE BLEW IN 4TH. Bad Inning Gave Second Encounter To Richmond

Toronto, July 23.—Fifty-fifty was the way the Leafs and Rebels divided Saturday afternoon's double-header at the Island, and, incidentally, the losing team in both fixtures garnered only one run. The Leafs won the first by 5 to 1, and Richmond took the second by 12 to 1, and the result only emphasizes the necessity of a good right-handed pitcher for the Leafs. The first game went to Thompson through consistent pitching, backed up by some real good hitting, but the second game was given to Adams, twirling for the Rebels, for Leake again fell down when most needed, and Forrester who relieved him, evidently became stage-stricken, and after walking the first three batters was sent to the discard also, in favor of "Lena" Blackburne, who attempted to stem the tide.

Young, who opposed Thompson in the first game and who was recently secured from Quincy, of the Three-I League when that organization blew up, made his second start for the Leafs, but lost this one. He was not nearly so effective as he was against the Bisons a few days ago, but he is a hard worker. Adams twirled for Richmond in the second, but his offerings were not grooved sufficiently for the Leafs, and they fell away on their hitting. On a couple of occasions, however, he was in serious holes, but managed to extricate himself, while the Rebels pounded the offerings of two of the Leafs' pitchers and even notched several timely bingles from a third. For three innings Leake held the Rebels to one scratch hit, but in the fourth he went around, with one out, before he was retired. Forrester was then rushed to the assistance of the Leafs, but he walked the first batter filling the bases, and then walked two more, forcing in two runs. This completed his day's work, and Blackburne took up the mound duties. His first batter singled, two runs scoring on the play, but the third runner on the bases was caught trying to make a steal. Umpire Hart ruled that both men had crossed the plate before the out was made. The scores:

At Montreal. Ground rules prevented Montreal from taking both games here to-day when Bill Holden slammed the ball over the right field wall in the ninth inning of the second game with a man at base. The ground rules called that the hit should be only for two bags and both men were left stranded on the bags, the final score being 3 to 2 for Newark. The Royals won the first game 6 to 0, Gerner whitewashing the league leaders in easy style. Scores: Newark 0 0 0 0 0 0 0 0—3 7 1
Montreal 0 0 0 0 0 0 0 0—2 5 2

ROBERTSON AND CADORE CALLED

Giants and Dodgers Lose Valued Men In First War Draft

OUIMET IS DRAFTED. Noted Golfer Fell Just One Day Short of Age Exemption

New York, July 23.—The pennant chances of the New York Giants will not be seriously menaced by the draft.

So far as could be learned Davy Robertson, the fast and hard-hitting outfielder, is the only one who has been drawn among the first 1,000.

Robertson is from Virginia and his draft number is 3796, which would put him in the 800 division with a chance of being called for the first army.

Robert, Gibson, Sallee, Herzog, Fletcher, Zimmerman and Murray are exempt. The others are liable to the draft, but most of them are not likely to be called upon for some time, if ever.

George Burns is in the 5,000 division. Schupp and Kruger in the 8,000 division, Terau in the 4,000 division and Peritt in the 3,000 division.

Peritt's brother wired him from Louisiana that his number was 229. Holke has not yet received his number from Missouri, nor Rariden his from Indiana. Benny Kauff got his number, but said he had forgotten what it was.

Of the Pittsburgh team, Evans, a pitcher, was reported to be the only player drafted in the 1,500 class or under. As the players come from all parts of the country many of them have not yet received notification of their draft numbers and will not know where they stand until they receive telegrams from home.

Leon J. Cadore, Robbie's young right-hander, in all probability will be the first Brooklyn player to be called.

Cadore, or "Caddy" as he is called by his team-mates, is one of the owners of serial No. 809, and this was the eight hundred and twenty-fourth number drawn from the glass globe in the great lottery in Washington on Friday.

Cadore is twenty-one years old, single, and one of the biggest pitchers in the National League. He stands over six feet and is nearly as heavy as big Jeff Pfeffer. Cadore came to the Brooklyn team this season from the Montreal Club, where he had been farmed out for two years. He is a Brooklyn boy by birth.

Other Brooklyn players who discovered their serial numbers in the papers yesterday are further back than Cadore. Pfeffer and Sherrod Smith, the southpaw, are in the 2,000 class. Pfeffer's serial number is 940 and his call number 2,322. Smith's serial number is 681 and his call number is 2,309.

Frank O'Rourke, the young third baseman from the defunct Utica Club, is in the 7,000 class. His serial number is 361.

Cassey Stengel and Johnny Hickman, the little outfielder, both knew their serial numbers, but could not discover them among those published in the afternoon papers of yesterday. The other players have wired for their numbers.

Stengel's serial number is 1,033 and Hickman's is 1,739. Eddie Roush, the outfielder of the Reds, is among the draft numbers in the 2,200 class. His serial number is 2,169.

Boston, July 23.—Francis Outmet, Western amateur golf champion, former national amateur and open champion, is certain to be one of Uncle Sam's new army. His number is 2,156, which was the 127th number to be drawn at Washington. But he is the 26th man who must report in Brookline, his place of registration.

There are no grounds on which Outmet can claim exemption, and his physique seems to make it sure that he will be in training at Ayer Junction, Mass., in September.

Outmet will be a conscript by less than 24 hours. He was born on June 5, 1886, which made him 30 years and 364 days old on registration day. Outmet played at Manchester to-day and was non-committal on the result of the draft.
