MISSIONARY PROGRAM.

The Missionary Committee of Colborne Street Methodist Church League took charge of the weekly meeting last night and presented a fine "missionary" program. Mr. A. W. Giddes, a well known, gave an interesting resume of the splendid work of the Y.M.C.A. at the front and in the training camps. Though he had had no connections with the "Y" while in training, Mr. Giddes had a high estimation of the "missionary" work of the organization among Canadian boys. A piano solo by Harold Vansickle was greatly appreciated by the leaguers.

NEW STAR FOUND.

The new star discovered by the observatory in London, Washington and Ottawa and visible to the naked eye can be seen all over the world. It rises in the evening and is seen all night eight degrees south of the bright star "Altair," a distance of sixteen times the width of the moon.

GIRLS WANTED.

Speaking to The Courier to-day T. Y. Thomson of the Government Employment Bureau stated he was receiving requests every day from farmers for help particularly for girls. At berry picking and other garden work the girls are very proficient and also many can do work as heavy as that which men are doing, the farmers are paying. The wages being paid are fair for the younger employees. Over 60 girls were placed on farms last month through the local bureau and last week seven from Port Rowan reported to work with the Steel Company of Canada on munition work.

A DENIAL.

To the Editor Brantford Courier:—Dear Sir:—In your issue of May 30th, your Simcoe correspondent stated that the Farmers' Club of Brantford passed a resolution suspending all members of the club who voted United last winter.

Now this is absolutely false. They did ask their secretary-treasurer to resign, but no such action was taken as your correspondent stated. Yours very truly,

J. FRANK FIDLIN.

SOVIET GOVT. THREATENS By Courier Leased Wire. London, June 11.—The movement engineered against the government by anti-Soviet deputies is assuming a threatening character, according to a dispatch from Moscow to The Exchange Telegraph Company. Factory workers are boycotting the Soviet deputy delegates and even attack them violently.

A general political strike appears to be imminent. In several provincial towns where elections have taken place, anti-Soviet deputies have been returned with large majorities.

REV. E.H. EMMETT AT PARK CHURCH

Rev. Dr. Hanley Also Spoke to Men on Subject "God's Man of the Hour."

Stro's sermons were delivered at Park Baptist church on Sunday by Rev. E. H. Emmett. The morning subject was "The Race that is set before us." "The Race that is set before us," the speaker considered the race that the Christian should take in the world of himself and his life and conduct. Then we should lay aside every weight, every hindrance, in the race so that we could run the race perfectly, and also lay aside the sin which so easily hinders us. The race should run with patience the race that was set before us. There were all kinds of races, long, short, hard and difficult and easy ones, but it was not the length of the race that counted in the world, but what a man did and how he ran it. We could not set the race that we had to run. The text says: "The race that is set before us." "The Race that is set before us." God sets all races, and He sets the boundaries of our life and assigns us our duties. Every man and woman is responsible to God. Christian people should take great care how they run their races, the lives they live and the examples they set, in their families, the communities and everywhere. Then we have to look to the author and the finisher of our faith, who is the Lord Jesus Christ who endured the cross for us, despised the shame, and now sits at the right hand of the throne of God. We are looking forward to entering into the eternal joys with him.

There was a splendid anthem by the choir, "Like as the Hart," by Hewlett.

There was a good attendance at the Bible classes from 12 to 1, and Dr. Hanley gave a strong address to the men at 4 o'clock in the afternoon, the subject being "God's Man of the Hour." The men of to-day are much to think about and to live for. The sacrifices were very great, as were also the temptations. If at any time in the history of the world they should be true, it was in this age.

In the evening service, Mr. Emmett took as his subject "The Three Great Events in the World's History." The first was the advent of Christ, and the prophecies were fulfilled as to that event. The second was the Crucifixion and Resurrection, and the third was the coming of the Lord and the grand reunion of the Lord and his people.

During the evening an anthem was sung by the choir, "Round Thy Throne of Light" and a solo was given in good form by Miss Pearl Morris.

The congregations were very good and great attention to the able discourses of Mr. Emmett, which were very earnest and powerful.

Convention of Baptists Open

The Association of Baptist churches of Oxford and Brant opened a three day session in Calvary church this afternoon, with representatives from nearly fifty churches present. Some of the most important questions, religious, social and educational will be taken up during the convention, and the speakers will include such prominent men as Rev. Andrew Barrie, Dr. J. G. Matthews, Dr. S. S. Bates and others. To-night's session will be under the auspices of the women's missionary enterprise, and will include prominent speakers from Toronto. The evening meetings are open to the public. To-morrow a denominational day will be held, at which a very large representation of Baptist people will be in attendance.

MAYNARD-SAYLES. A quiet wedding took place at Colborne St. parsonage on Saturday, June 8th, when Mr. W. H. Maynard and Miss Myrtle Sayles, both of Brantford, were married by Rev. C. F. Rogers.

FAREWELL TO TWO PASTORS

Dr. and Mrs. Martin, Adjutant and Mrs. Osborne, Were Honored

The concluding session of the Brantford Ministerial Alliance took the form of a social gathering when the pastors and their wives dined together at Orompton's Tea Rooms. Dr. Henderson, the guest pastor of the First Methodist Church, presided over the gathering, with his usual grace and dignity. This farewell luncheon was in honor of Dr. and Mrs. Martin and Adjutant and Mrs. Osborne, all of whom are about to leave the city for new fields of labor. Rev. Mr. Thompson delighted all with a thoroughly humorous paper on "The Saving Grace of Humor." J. W. Gordon introduced a resolution of appreciation of Dr. and Mrs. Martin and of Adjutant and Mrs. Osborne, which was ably seconded by Rev. Dr. Alexander. After singing "God Save the King," Dr. Henderson dismissed the gathering with the benediction.

WINNIPEG TELEGRAM HALTS PUBLICATION

Damage by Fire Compels Cessation of Issues for Some Time

Winnipeg, June 10.—The Winnipeg Telegram Publishing Company issues the following statement to-day:

"A complete survey of the damage by Saturday's fire to the plant of The Telegram shows that the loss is far greater than was believed. The plant is almost completely wrecked, the machinery almost a total loss and the building itself in such a shape that it will require almost complete remodeling to make it once more serviceable.

The circumstances there is but one thing to be done. Mr. Matheson, Telegram regrets having to take such a course, it is compelled regretfully to await such time as its plant can be rehabilitated and its premises once more put into shape to carry on the task of publishing a daily paper."

The announcement goes on to apologize for the cessation of the publication of The Telegram, which, it is hoped, says the statement, will resume in three or four weeks. There are tendered to the various printing houses in Winnipeg which came to the assistance of The Telegram to enable the staff to publish on Saturday and to-day.

The cause of the fire has not been determined and investigation will be commenced to-morrow morning.
