The Magic Vitamine.

At a recent meeting of the American Chemical Society, Professor Walter Eddy took from his pocket a small vial and passed it round among the assembled chemists.

All they could see was a small quantity of white powder at the bottom of the bottle. Yet it created a sensation, since it was the first vitamine that any one had ever seen or handled.

An amount no more than three-hundredths of a milligram, which is about as much of the powder as could be caught on the point of a pin, given every day to a young rat stunted by living on deficient diet would cause it to grow again at a normal rate.

WHY RHEUMATISM OFTEN COMES BACK

The Usual Treatment Does Not Reach the Root of the Trouble.

Most treatments for rheumatism do no more than aim to keep down the poison in the blood and enable nature to overcome that particular attack. Then when the system becomes run-down from any cause the disease again gets the upper hand and it all has to be done over.

Sufferers from rheumatism who have found their condition unrelieved or actually growing worse while using other remedies, would do well to try Dr. Williams' Pink Pills. The tonic treatment with this medicine has proved in thousands of cases that it builds up the blood to a point that enables it to cast out the rheumatic poisons through the regular channels, the bowels, kidneys and the skin. When this is done rheumatism is banished, and as long as the blood is kept pure and rich the patient will be immune from attack. This is fully proved by the case of E. E. Davis, J.P., of Dinsmore, Sask., who says:—"I feel it my duty to sufferers from rheumatism to recommend Dr. Williams' Pink Pills. Some years ago I was a great sufferer from this trouble and was confined to my room. I tried two doctors without relief and had become despondent. Then I saw Dr. Williams' Pink Pills recommended for this trouble and got six boxes. Before they were all gone I was able to get around on crutches, and when I was on the eleventh box I started to work. I have not missed a day's work since on account of rheumatism. On two occasions since I have had light touches of the trouble, but a box of the pills soon put me right. I strongly recommend rheumatic sufferers to give Dr. Williams' Pink Pills a fair trial."

You can get these pills from any medicine dealer or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

As Written.

"I beg your pardon, sir, but what is your name?" the teller politely asked the man presenting a cheque.

"Name?" echoed the indignant customer, "don't you see my signature on the cheque?"

"I do," answered the teller. "That's what aroused my curiosity."

Youth and beauty go: character endures to the end.
