### CANAAN.

Mr. and Mrs. Thomas Jones are receiving congratulations on the birth of a son.

Miss Hilda Kinsman has been visiting her grandmother, Mrs. Harriet Thomas, of Kentville.

Miss Helen Jones, who has recently returned from Alberta, is visiting friends in Halifax.

Mrs. Sanford is to be congratulated on the efficient way she is conducting the school. The children are making good progress.

Our farmers are busy getting out logs and cord wood. Messrs Wood and Brown will be sawing here again this spring.

Mrs. Hutchinson of Hantsport, is visiting her cousin, Mrs. Charles Jones.

The Box Social of Feby. 14th was quite a success the sum of \$35 being realized. Some of our friends do not think all of the proceeds were passed in. The ones this accusation points to, are not in the habit of appropriating friends that do not belong to them.

Mrs. Angus Wambolt is visiting her son John Wambolt of Kentville.

### NEW ROSS.

Aden Hennegar Shot a wild Cat in our woods.

New Ross has refugees of the disaster at Halifax.

Mrs. J. D. McLean and infant daughter, John S. Murphy, who immediately went to Halifax as soon as the news arrived. After some search found his daughter and infant and brought them home. Her husband was also among the heavy losses. But the lives of himself, wife and babe escaped without injury. Mrs. McLean will remain in New Ross until the spring advances. Mr. McLean is attending to duty in Halifax.

Emmanuel Bennotte whose daughter and family were all killed save one little boy has just brought the little orphan to New Ross to make his home with his grandmother Barkhouse was the family name.

His Grace, the Archbishop of Nova Scotia, paid a visit to New Ross. He visited St. Augustine of Hippo Chapel on Address the large congregation and in the evening confirmed 28 candidates in the parish Church Charing Cross and gave a stirring Address.

The burning of the property of the mareson mine was a sad loss to workers as well as the company. There are many at work at the other mine and tons of ore have been shipped over our ice bound roads.

The house of Edw. Walker (a son of the veteran soldiers who founded New Ross) was burned to the ground on the 18th Jany. with contents. The potatoes, turnips, etc. in the cellar together with most of their furniture and clothing are a total loss.

Ice cutting is the order of the day. Our streets are very dangerous for pedestrians, but well shod horses slip along swiftly.
