Changes in the names of the various departmental examinations have been frequent, and the result somewhat confusing, but still another change is contemplated. Mr Seath, Superintendent of Education, says:—

## Unimpeachable

If you were to see the unequal volume of unimpeachable testimony in favor of Hood's Sarsaparilla, you would upbraid yourself for so long delaying to take this effective alternative and tonic medicine for that blood disease from which you are suffering.

It eradicates scrofula and all other humors and cures all their inward and outward effects. Take Hood's.

A thousand unmarried women sailed from Liverpool for Canada on the steamer Baltic. Bachelors are warned to beware.

## The Reason Why Zutoo Is Used by Thousands.

It would probably surprise you to know how many thousands of people are using Zutoo Tablets who had never before used a headache cure.

This is due to three facts. They tried the tablets. The tablets cured their headache. The tablets did not hurt them.

Like sensible people, they do not suffer from headache any more. They either let Zutoo ward off the headache—nip it in the bud—or assist nature in stopping it. Which do you do? Do you suffer from headache or do you take Zutoo?

## We Trust Doctors

If you are suffering from impure blood, thin blood, debility, nervousness, exhaustion, you should begin at once with Ayer's Sarsaparilla, the Sarsaparilla you have known all your life. Your doctor knows it, too. Ask him about it.

Unless there is daily action of the bowels, poisonous products are absorbed, causing headache, dizziness, nausea, dyspepsia, and thus preventing the Sarsaparilla from doing its best work. The Pills are liver pills. Ask your doctor for a box.
