MRS JAMES A. CLAPP

Pictou Times:—Eleanor A. Bullis, wife of ex Mayor James A. Clapp, passed away at the family residence, King street, Saturday afternoon, June 8th. The deceased had been ailing for some time and it was apparent the end was near. Mrs. Clapp was the daughter of the Rev. Peter Bullis, who died at Plessis, N. Y., and Alice Deming. Mrs. Clapp was predeceased by one sister, Mrs. S. Y. Bullis of Athens, and has two brothers living, J. O. Bullis, of Watertown, and J. D. Bullis, collector of customs of Iroquois. Mrs. Clapp was married at Brockville and husband and one son survive. A daughter died in infancy. Deceased was a life long member of the Methodist church and in the absence pastor, Rev. Mr. Elmsley, the service was conducted by the Rev. J. A. Shaver, of St. Andrew's church, assisted by the choir of the First Methodist church. The funeral was held on Monday June 10th, and at the request of deceased was private.

The Pallbearers were C. B. Allison, James A. Porte, Walter Mackenzie, W. V. Pettit, C. Clapp Spence and George Warming. Interment took place at Glenwood cemetery.

A Kind Farewell

The people of Addison appointment of Addison circuit and a number of representatives from Greenbush joined in a farewell party at the parsonage on the evening of June 17, which was held to bid the Rev. W. W. Weese and family good bye. The house was well filled with friends who during the evening presented Mr. Weese with an address and a purse containing about \$22; also representatives of the W. M. S. took this occasion to present Mrs. Weese and Miss Pansy with silver pins as mementoes of their membership in Addison Auxiliary, where Mrs. Weese has served very successfully as president for the past year. Mr. S. Y. Brown filled very acceptably the office of chairman. Music and speeches testifying to the high esteem in which Mr. Weese is held were followed by a sumptuous lunch served by the young people.

THE BROCKVILLE BRIDGE

Recorder: Every person must realize that the Canadian Northern Railway Company is not satisfied with its entrance into Brockville. The C.P.R. has a bridge across the St. Lawrence at Lachine and the Grand Trunk has the Victoria at Montreal, in addition to the bridges across the Niagara river. The C.N.R. is ogling for Atlantic seaboard connections, and in order to carry out this scheme they need an international bridge of their own. Brockville affords splendid opportunities for such a connection, and it will know that one of the most direct routes to New York or Boston could be worked out by crossing the St. Lawrence at this point. The C. N. R. has been looking into this project and the citizens need not be surprised some fine morning to find that the company has acquired rights for its line to the eastern end of the town, going by way of Schofield's Hill and eliminating entirely the celebrated trestle over the Grand Trunk.

LITHOGRAPHS FOR OTTAWA EXHIBITION

The big, showy lithographs which will blaze forth the main features of the Central Canada Exhibition of 1912 in Ottawa, are being sent abroad. For the next three months these sheets will stand conspicuously at railway stations and other public resorts of the country. The three sheet poster of the Ottawa Fair is an annual issue and the people of Central Canada have learned to watch for its appearance with a great deal of interest. In attractiveness of design and in the excellence of the lithographic features which it announces, the poster of 1912 surpasses all its predecessors. The most important fact proclaimed,

of course, is the holding of the Dominion Exhibition, with its \$50,000 federal bonus, in conjunction with the Central Canada. Illustrating the national character of the event, appears the Dominion coat of arms, in the upper portion of the print. The increase of prize money, by 50 per cent., and the extension of low railway rates over five provinces, are Dominion Exhibition features noted.

Mention is made of the new \$90,000 machinery hall and attention is called to the "Omdurman" military pageant pyrotechnics, balloon ascensions, grand stand attractions and the wealth of industrial displays. Stress is laid on the continuance of the exhibition programme during seven days and nights, September 7th to 14th, inclusive. The Fair opens September 5th and closes September 16th.

Exhibitors are warned that entries must be made not later than August 20th. In view of the magnitude of the Dominion Exhibition more time is required than in the past to handle this branch of the work.

THE OLD WAY

One of our exchanges truthfully says that when pa was young, people who had bad colds, soaked their feet in hot water and took a few draughts of catnip and got well. Now they have a gripper, take quinine and feel sick all summer. Then they had sore throat, wrapped a piece of bacon in an old wool stocking, tied it around the neck at night and went to work the next day. Now they have tonsillitis, a surgical operation, and two weeks in a hospital. Then they had stomach trouble and took castor oil and recovered. Now they have appendicitis, a week in the hospital and six feet due east and west and six feet perpendicular. In those days they wore underclothes. Now they wear lingerie. Then they went to a restaurant; now they go to a cafe. Then they broke a leg; now they fracture a limb. People went crazy now they have brain storms—or are born crazy, we don't know which. Politicians then paid good hard cash for support; now they send government garden seed instead. Yes times have changed and we all change with the times. That's progress.

Dominion Fair Entries Must be Made Earlier

The holding of the Dominion Exhibition in conjunction with the Central Canada. Ottawa, this year, necessitates the making of all entries a couple of weeks earlier than usual. The Dominion Fair dates are from September 5th to 16th August 20th has been fixed as the last day for receiving entries. In the past, entries were received at the Ottawa Exhibitions up to within a couple of days of the opening. The change of regulation in this respect is so considerable and so imperative that the management is, using every means to notify farmers, stockmen and others concerned. The work of classifying compiling lists will be enormously increased for the Dominion Exhibition. Even in past years exhibitors have found it to their advantage to get through with the routine of making entries before the bustle of the last few days. The 1912 prize list will be ready for mailing to applicants in a few days and any other information in regard to making entries will be furnished by Manager, E. Mc Mahon, 26 Sparks St., Ottawa.
