

Get Rid of it.

If you have catarrh, why don't you try to get rid of it? The first thing you know it will go down into your lungs or stomach and cause serious trouble. You should use Vapo-Cresolene at once. The cure is so easy and so pleasant. You put some Cresolene in the vaporizer, light the lamp beneath and breathe in the vapor while sleeping, that's all. The healing, soothing vapor, goes all up through the nose, quieting inflammation and restoring the parts to a healthy condition. Doctors prescribe it. Vapo-Cresolene is sold by druggists everywhere. A Vapo-Cresolene outfit, including the Vaporizer and Lamp, which shows how to use it, and a bottle of Cresolene, complete, \$1.50; extra supplies of Cresolene 25 cents and 50 cents. Illustrated booklet, containing physicians' testimonials free upon request. Vapo-Cresolene Co., 290 Fulton St., New York, U.S.A.

Where Medical Science Fails

To cure rheumatism, and all the time you suffer, why don't you get a bottle of Polson's Nervine and try that? Rub it into your stiff joints, sore arms, lame back, bent shoulders—wherever the pain is, it will be cured. It gives nerve strength, muscular endurance and invigorates the brain splendidly. Sold by McCall & Co.

Slowly Dying From Catarrrh

Thousands are in this terrible condition but don't realize their danger. If you have the slightest taint of Catarrrh, would it not be wise to commence Catarrrh treatment now and be perfectly cured in a short time? This pleasant remedy cures without the use of drugs, atomizers or snuffs. You inhale the medicated vapor which spreads to all parts of the breathing organs, kills the germs and heals the inflamed surfaces. Catarrrh clears the throat and nose in one day, and never fails to cure the most obstinate catarrrh, lung and throat troubles. A trial will demonstrate the value of Catarrrh, which sells for \$1.00 and 25 cents at Druggists or Polson & Co., Kingston, Ont.

Malt Breakfast Food

Trims The Sails of Health.

It often happens that men and women apparently vigorous to-day, may to-morrow be irritable and out-of-sorts owing to some little stomach derangement. We should remember that while we are vigorous we can keep so by using food that regulates digestion.

We should trim the sails of health and vigor by regular use of Malt Breakfast Food each morning, thereby overcoming any tendency to flatulency, sour stomach, waterbrash and miserable indigestion.

Malt Breakfast Food perfectly aids digestion, and keeps up a standard of strength necessary for continued good health. There is no other breakfast food known to science so delicious, refreshing and sustaining for body and nerves. The use of one package will convince you of its superiority over all other foods. Grocers everywhere.
