

For Xmas Gifts

If a select stock of exclusive Novelties in Men's Wear can tempt you to make your Christmas purchases now, you cannot afford to pass this Store. Prices to-day are also at the low mark, for our stock is large and we must make some sacrifices to stimulate buying

A.C. Hawthorne

A. M. WRIGHT

An Xmas Opportunity

THE JEWELER, has decided to offer his entire stock of Diamonds, Solid Gold Goods, Gold Filled Goods, Sterling Silver, Silver Plate, Cut Glass, Peckard's Hand painted China, Watches, Clocks, etc., for sale at

Public Auction

Owing to our heavy loss in the Fernie, B.C. fire this summer, in which our entire stock was destroyed, this sale is forced upon us. However, this is your opportunity, and, coming as it does, at the Xmas Season, should make a great saving of dollars to the buying public of Medicine Hat.

Sale Commences Wednesday Night, December 9th, and continues every afternoon at 3 o'clock and evening at 8 o'clock.

FOUR BIG PRESENTS will be given away at every sale, and at the final sale we will give TEN PRESENTS, the first to be a genuine DIAMOND RING

W. B. Shakespeare, Jewelers' Auctioneer

A. M. Wright, Jeweller

dreeds of sea-gulls, looking like on the shore's waters, or on brown rock islands, they fought tide, white-tipped as they. In reveals in colors that shade beach and the spot green of warm and rich with color that the sides of the gray-peaked in among them: red-leaved bushes, or purple-plush grasses. Lawrence Goodhue, on this, topmost ledge of Brace's Rock his chin in his hand, his artist into the storehouse of his brain he in details of color that when he a spot not ten feet from him a sense of confusion. What he rag, still wet and fresh with a landscape, but for the moment if his vision and collected the prism might, and thrown them. Sending his eyes wandering fellow-artist, who must have finally discovered a figure cleft low. It was plainly a woman, at her a large, mushroom-like everything but a white skirt equipment hanging from the ceiling. Not an hour before, Goodhue, inch of that lower round, a progress of another with peculiar felt to be the risk of life and not only to the base of the rock, but a boulder overhanging the water, a veritable jewel-casket. The waters, lapping in and the crevices, had formed some and this the sea had filled with and first draped the gray side weeds, or crusted them with mussels, dashed with silver, every soft tint stretched down. Some below was a rich mass of purple, with here a blazing orange, or pink or royal purple. The house lay down a sharp descent and black with barnacles, and difficulties of the climb, not to share his discovery, that brought made him look down anxiously, and above the overhanging side, too, had found some, as he watched her hesitate, to try wood on to another point, the attempt at another point, on an overhanging rock, as he real dangers of the descent, ing up the attempt. He fancied was to be the best move, to take what looked like a sketch by a deliberate movement, a careful aim and flung it swift then, with only a moment's hesitation, he had found the danger had been doubled in, therefore, that he should at least avoid of accident he made his side of the rock, and reaching the top, waited there patiently. It amused him, unseen and he was, and knowing as he did that hidden aquarium of nature, half-terred exclamations of, "How the rock is so high!" the delay, before the sound of its way warned him that the danger had been doubled in, therefore, that he should at least avoid of accident he made his side of the rock, and reaching the top, waited there patiently. It amused him, unseen and he was, and knowing as he did that hidden aquarium of nature, half-terred exclamations of, "How the rock is so high!" the delay, before the sound of its way warned him that the danger had been doubled in, therefore, that he should at least avoid of accident he made his side of the rock, and reaching the top, waited there patiently.
