IF YOU PATRONIZE The Everyday Bargain Store YOU LEARN TO SAVE MONEY.

Value for Both Sides of YOUR DOLLAR!

The art of spending money is greater than the art of making it. Yet far more has been taught, written and lectured on the subject of the making of money than about the spending of it. This doubtless inspired the old adage that "a foot and his money are soon parted." Today the world is too busy to stop and study the best ways of spending it. Price is not the same as value; for price is what you pay for an article, while value is what you receive in merchandise—plus service.

Years ago I began studying to make both sides of my customers' dollars represent value to them when spent with me, and today it is recognized that our merchandising represents value.

Daily all my efforts are toward making a bigger and better organization to back up the policy, and while today I am giving the best I know how, tomorrow I hope to make it better. Try the Everyday Bargain Store.

CENTREVILLE

WILL IT REACH GRAND FALLS?

While no official announcement has been made in regard to the Valley Railway, it seems to be the general impression that A. R. Gould will be given a chance to finish his work. Mr. Gould was in St. John on Saturday and returned to the city by auto in the evening. He seemed to be more cheerful than usual, but apart from admitting that the outlook had brightened, declined to make any statement for publication. From other sources it was learned that the government had practically decided to accede to Mr. Gould's proposal. It is understood that Kennedy & McDonald have consented to build the upper section of the road and have signified their readiness to begin work at once. J. H. Corbett & Sons, Inc., who built the Fredericton-Gagetown section, are prepared, so it is said, to enter into the contract to extend the road to St. John. It is reported that the sub-contractors are willing to accept provincial bonds in part payment of their work. All that remains now is for the government to say the word and the work will go on. A meeting of the government will be held at St. John on Friday of this week when it is likely that the question will be settled.—Mail.

Death of Harvey Goodwin

On Sunday the death occurred of Harvey Goodwin, after more than a year's illness, and six weeks confinement to bed. He was 59 years of age and a native of Westmoreland county. For about 25 years he has resided in Hartland, and married a Miss Glass of Windsor. Besides the widow there are left six children: Robert, married and living in Millinocket, Frank, with the 64th Battalion at Amherst, who expects very soon to leave for the front under Col. Guy McLaughlan of Woodstock. Frank came home to attend the funeral and will stay about two weeks. Other children are Jennie, the wife of Henry Sharp, Alfred, Harold and Bessie, the last four residing in Hartland.

The funeral services were held at the Baptist church on Tuesday afternoon and were largely attended. Rev. Geo. Kincaid, his pastor being the officiating clergyman.

Mr. Goodwin was honest, upright, and well respected. He was a member of the United Baptist church and in politics he was a Conservative.

Beaufort Picnic

The congregation of the Church of England at Beaufort are to hold their annual picnic this year on the 21st inst, in the grove usually occupied for that purpose. These annual affairs are not money making schemes, but a general getting together of the people for a day of sport and sociability and they are looked forward to with much interest by the people for miles around. The ladies of Beaufort have a reputation as entertainers that will be lived up to on this occasion.

A Correction

An item appearing in the last issue of The Carleton Observer in effect that Emery Corey of Peel maltreated a horse on the village streets on Saturday evening July 3, is entirely erroneous so far as Mr. Corey is concerned. He was not in the village on the evening in question. This can be proven.

MORGAN-VALLILLEE

The marriage took place last evening at six o'clock in St. Matthew's Anglican church, of Miss Bella Mae Vallillee, only daughter of George W. Vallillee, Esq., to Rev. W. Burton Morgan, B. A., B. D., second son of Mr. and Mrs. D. E. Morgan, Hartland, N. B. The ceremony was performed by Rev. G. S. Anderson, pastor of St. Matthew's, assisted by Rev. Archdeacon Mackay, rector of All Saints. The church was very effectively decorated with a profusion of daisies and palms, this work having been done by the members of the Girl's Auxiliary of the church.

The bride, who was accompanied to the chancel by her father, wore a gown of white charmeuse satin trimmed with Chantilly lace and seed pearls, and the court train was lined with pale pink chiffon. Her veil was of tulle arranged in mob cap effect, with a wreath of orange blossoms, and she carried a shower bouquet of Killarney roses and lilies of the valley. She was attended by her cousin, Miss Ethel Skene, Ottawa, as bridesmaid, wearing a gown of white voile with shadow lace and pink girdle, and a dainty hat of white tulle. She carried pink roses. Mr. Reginald B. Weagant was best man. The wedding marches were played by Mr. Wallace Payne and the choir sang "The Voice That Breathed O'er Eden."

The ushers were Mr. Walter LeSueur and Mr. Sydney Dawson. After the ceremony a reception was held at 300 Priel street. Many costly presents were received including a silver service from St. Matthew's congregation.

Rev. and Mrs. Morgan left later for Montreal, Quebec, the Saguenay river and Lower St. Lawrence, and intend to spend two weeks with the groom's parents at Hartland, N. B. On returning to Ottawa, August 1st, they will reside at the Alexandra.—Ottawa Journal.

Mr. and Mrs. Morgan arrived here Saturday and will remain the guests of Mr. Morgan's parents for about three weeks, after which they will return to their future home by another route than that travelled in coming to Hartland.

Monday evening there was an informal reception at the home of the groom's parents, during which the band serenaded the young couple and a pleasant evening was spent with refreshments, music and general social intercourse. The "second story" of the handsome bride's cake was broken by the bride and all present were made participants of the favor, after which the leader of the band proposed a dry toast to the bride, which was received with a standing acknowledgment, accompanied by a vocal medley. The groom in a pleasant speech, acknowledged the compliment and tendered the thanks of the bride for the honor done her.

Miss Dora Robinson who for more than two years has been the popular bookkeeper of the Fort Fairfield Light & Power Company, was visited by Rev. Mr. Archer, Mrs. Archer, and a number of her Sunday-school class of the Reformed Baptist church on Friday night, who presented to her a fine silk umbrella in token of their appreciation of her work as vice president of the class during some months past. Miss Robinson went to her home in Lower Brighton, Tuesday, leaving behind her in Fort Fairfield an enviable reputation as an agreeable, obliging and sensible young woman.—Fort Fairfield Review.

SUCCESSFUL PICNIC AT BATH

Perhaps not in the history of the people of Bath has there been a better or more well conducted picnic than was held there Tuesday by the congregation of the Roman Catholic church of Johnville and Bath. Any objectionable features which have marked events of this kind were entirely absent on this occasion and those who were privileged to be present spent a day of unalloyed pleasure. There was a large crowd, the people coming from miles around, there were amusements of all sorts, and food!—say it causes the ordinary mind to wonder where it all came from and how the ladies could devote so much time to the preparation. The merry-go-round, as usual, did a land office business in boom times. Father Coughan was here, there and everywhere looking after the comfort and welfare of the guests of the congregation. The Hartland band was present and rendered a generous program of music which added to the delight of the occasion.

Besides the merry-go-round the dance pavilion was a great centre of attraction and the light fantastic was tripped to the music of violin and organ from early in the afternoon till late at night.

During the day many visited the handsome new church just nearing completion and expressed both surprise and pleasure at the beauty of its interior and the convenience for worship. Last Sunday an altar was improvised and service was held in the new edifice.

The net financial result of the picnic will be in the vicinity of \$800, which is considerably more than last year, and is very satisfactory to the congregation.

FLORENCEVILLE

Hazel McCain, who has been teaching at Tracy Mills is spending her vacation at home.

Miss Lillian Shaw of Wicklow was in the village on Thursday.

Fifty or more wrote the Normal Entrance examination which was held in the Consolidated School building, Tuesday, Wednesday and Thursday of last week.

Miss Sarah Stephenson of Moncton, Maine, spent last week and part of this with relatives at Connell and Florenceville.

On Wednesday p.m. quite a severe hail storm struck the village, that with the heavy rain and wind storm of Friday did considerable damage to the gardens.

Knights Install Officers

On Tuesday evening, Brighton Lodge, Knights of Pythias, was honored with a visit from Col. Potter, Grand Chancellor for the domain of the maritime provinces. There was a large delegation from Moncton Lodge at Woodstock and a most enjoyable social evening was the result. Col. Potter was in his usual happy mood and gave the Brighton brothers some good advice and encouragement. As a result of his visit it is possible that a branch of Pythian Society will be formed in the village. stock deleg autos in the
