-The balance of trade-Scales -" There, now!" cried a little girl, while rummaging a drawer in a bureau; "grand'pa has gone te heaven without his spectacles!

Teacher—"Who reigned after ul?" Little Bessie—"David." "And who came after David?"
"Solomon." "And who came after
Solomon?" "The Queen of Sheba,"

-"Do you see that dog?" asked a dirty-faced man. "Well, sir, that animal saved my life once." he?" replied Fogg; "don't blame him. He probably didn't know any better.

-An Arkansas man went church for the first time in his life. The minister had announced through the local papers that he would dis "Lost Sheep," and first-class stand. For further particulars the man hoped to gain some infor- apply to mation regarding a stray ram of his.

-Reading the evening newspapers at a tea table often brings out the real tendencies of the family. "Hello," said Mr. Job Shuttle, "the Chinese have beaten the French." Drug What's the score?" cagerly asked the youthful base ball enthusiast of the Shuttle family.

-It was the second time he had called upon her, and he happened to mention that when he married he would like to live in a pretty little cottage. "So would I," she softly mnrmured, drooping her eyes; " and now that we perfectly understand each other you can ask pa's consent.'

-- "Sir," said a barber to a lawyer who was passing his door, "will you tell me if this is a good ten-shilling piece?" The lawyer, prenouncing the piece good, deposited it in his waistcoat pocket, adding with great gravity, "If you'll let your lad round to my office, I'll send you back the three-and-fourpence change,"

NEW DEPARTURE.

NEW GOODS.

Notwithstanding the exodus from Upper Sackville, the subscriber offers for sale cheap, for Cash or roduce, the following New Goods:

Mab and I had been idling about Tuscany for some weeks with Uncle Wallace, and we had many plans made for more extended journeyings, when our uncle was suddenly obliged to return to England on pressing business. As we could not and would have the subscribed in the supervised for the super not accompany him, he installed us in a quiet little hotel, gave us a liberal allowance of pocket-money, and left us with strict injunctions to remain quiet where we were until his return. We were to make no excursions re-

MAB'S KEEPSAKE.

quiring longer than a day's absence— for Uncle Wallace highly disapproved of ladies travelling alone in foreign countries. I was quite old enough to chaperon Mab whithersoever she cared And other articles usually found in Country Store.

I also have 100 Cords Good Wood, which I will sell low for cash.

Country Store.

Talso have 100 Cords Good Wood, which I will sell low for cash.

But after three days of our own so ciety we both grew horrible mopish. Mab had made crooked little sketches of the old cathedral till we both hated the sight of the hoary edifice; we had tried all the cakes in the little confectioner's, and had read our small library twice over.

"Effie, there is going to be a rural fete at San Vito on Wednesday, and I am going," Mabel announced on the fourth day

I said, deprecatingly.
"I don't care if it is eighty."

ing for so small an article, and, used as a signal of distress, it had brought help when he was overpowered by the enemy. He seemed pleased with Mab's warm admiration of the whistle, the warm admiration of the whistle, the server of the se

Weir. I have ten minutes to spare before my train goes; if I could be of any service to you in engaging a room at the hotel, or in any other way I should be most happy."

and my sister and I were tearing madly down the deserted platform.

"Guard, guard!" we shrieked, with all the agony of despair, but from some inexplicable cause he should be most happy."

"I think it would be better not to

"I think it would be better not to go to the hotel," said Mab; "we should never wake up for the early train, and we have not the time to wait for the next one."

"Yes," I answered, "we could get some refreshments here, and stay in the waiting room till our train comes. It is 11 o'clock now, and the time is not so yery long. We can take a note rang out like a clarion on the

the waiting-room.

"It is against the rales of the road to sllow the waiting-room to be occupied at night," he began, "but if you will be content without "What is this?" he cried. "Mo-

Our only fellow-traveller in the coupe was a gentleman of about 30. He was reading the Times as we entered, but I noticed that he seemed to take more interest in Mab's pretty face than in the news. Yet he was not the least impertinent, and he apparently imagined that his furtive but comprenensive glances were quite unnoticed.

Every one admired Mabel—she was like a sea shell or a tea-rose, or any delicately-tinted, lovely bit of nature—and I could not blame this man for

gleaming on the red band of his cap.

Suddenly, my ears sharpened by the silence, I heard a stealthy step approach the inner door of our prison, and the quiet grating of a key in the lock was distinctly audi-

S COTCH SAXONY TWEEDS;

ST. JOHN, N. B.

 \mathbf{A}^{S} the cold weather has set in upon us rather earlier than usual and with no prospect of having much warmer this season, I have prepared a good supply of

ing for so small an article, and, used no resistance, as you value your life.

simply:—

The robber set his lantern on the table and began undoing the straps would accept the little toy as a keep-sake. I shall only lose it if it con-tinues to jingle about with my keys and small change; and perhaps it would serve as a charm to ward off

not so very long. We can take a comfortable nap in the waiting room."

gering long over the hand-shake with Mab, and disappeared in the darkness.

"I wish he hadn't gone. I feel Two men ran toward us, one of

"I wish he hadn't gone. I feel lonely in this strange place," said Mab, with a little shiver.
"Nonsense, child! It would have been obtrusive and indelicate if he had remained. You forget that we are only friends of a day. Why should be alter his plans for us?"
I spoke boldly; but I, too, was very ill at ease. The little coffeeroom was gradually filling with rough-looking men, who watched us—the only women in the place—ing another belated traveller, they

in it at that hour of the night, even if we had known the way.

"Mab, how foolish of you to wear your diamond ring on a journey of this kind—it attracts attention!" I said, in an undertone, as the light annoyance, if nothing worse. The sound of Mahel's which had water and the health and the sound of Mahel's white had water and the health and the sound of Mahel's white head water and the health and the sound of Mahel's white head water and the sound of the s

when she raised her coffee-cup.

I happened to glance out of the window at that instant, and, to may libertor, saw a man with evil black eyes and grizzled hair staring intently at Mah and me, with a wicked that the start of th "Eme, there is going to be a rural lentily at Mab and me, with a wicked look about him I could not forget. I am going," Mabel announced on the fourth day.

"San Vito is eight hours from kere," in the darkness, and presently the railway perter came to escort us to the waiting mean.

> a light, and with both doors locked ser, the guard in a drunken sleep! on the outside, I have no objection to your waiting here for your train."
>
> This was appalling, to be locked up for five hours in a shabby little Italian waiting-room in total darkness was appalled by two rufflans, one of the process in the process of the proces ness. By feeing the man, we pre-whom had stolen his lantern and cap, vailed upon him to allow us to bolt while the other made his daring atthe outer door on the inside, so that tempt upon Mabel and me.

"The guard walks up and down ed, disobedient children, our only the platform till daylight, so you can feel quite safe," said the porter, consolingly, as he wished us goodnight and shut the door of the dark little day woon work. little den upon us.

I fortunately bethought me of band awaiting his approval.

sternest, she actually gave Mr. Weir her pretty little hand to hold while he told her fortune in the pink palm.
