As a result of the investigation into the accident on Monday night between Moncton and Berry's Mills, Conductor Sweeney was suspended one month and his forward brakeman two months. The consequence was that the engine came along and those in the cab, seeing the light at the rear of the train, supposed it was the forward brakeman at his post at the head of the train .- Transcript

Grip Quickly Knocked Out

"Some weeks ago during the severe winter weather both my wife and myself contracted severe colds which speedily developed into the worst kind of lagrippe with all its miserable symptoms," says Mr J: S. Egleston of Maple Landing, Iowa. , Knees and joints aching, muscles sore, head stop-ped up, eyes and nose running, with alternate spells of chills and fever. We began using Chamberlain's Cough Remedy, aiding the same with a dose of Chamberlain's Stomach and Liver Tablets, and by its liberal use soon completely knocked out the grip."
It is a good plan to take a dose of the Tablets when you have a cold. They promote a healthy action of the bowels, liver and kidneys which is always beneficial when the system is congested by a cold or attack of the grip. For sale by all druggists.
