Varieties.

He is wise who does not repine for what he has not, but rejoices in what he has.

The knowledge of words is the gate of scholar-hip The history of a word is often more instructive than the history of

Keep the head cool by temperance in all things; and the feet warm by actual exercise in the discharge of important duties-deeds of kindness.

What deduction from reason can ever apply to love? Love is a very contradiction of all the elements of our ordinary noture-it makes the proud man meek the cheerful sad, the high-spirited tame

A good, honest laugh at a good, honest joke or bit of sareasm rubs out the gathering wrinkles of care; but an ill-tems pered joke is like a poisoned arrow which makes a wound and leaves its poison after it has been withdrawn.

In the depth of the sea the water is still; the heaviest grief is borne in silence. touch; the purest joy is unspeakable; ending 30th June, 1879, will be payable stay 29. the most impressing speaker at the funeral is the silent one whose lips are cold.

Men who are always running after un business. attainable pleasures, and neglecting those within their reach, may be compared

Scientific.

ARTIFICIAL IOF. - The Boston Journal of Chemistry' believes that one of the remarkable triumphs of science and art as developed in this progressive age is seen in the devices for producing artificial ice in large quantities. It is caimed, and not without reason, that so perfect has the apparatus become, ice can be BECK'S COVE, ST. JOHN'S formed on the shores of any of our north. ern lakes and rivers at less cost than that neces ary to the cutting and storing of natural ice in winter. One of these ina teresting devices in operation on the

ters Jerusalem on horse-back, dressed of ice daily, in the form of blocks about like a Bedouin warrior armed cap a-pie two and a half feet long and ten inches as are also his followers the chiefs of the in thickness The congelation was pers tribe, for their Mahometan neighbors, fect and the product met with a ready true children of Isreal, are estil raising sale at the hotels and private residences, their hands against everyone, whilst not only in Jacksonville, but at all the everyone's hand is raised against them." points on the St. John's River. The During his stay in the Holy City, the price of Northern ice in Florida previous missionary stops at the 'Ecce Homo' mans to the introduction of the machine was astery celebrates Holy Thursday and Good from ten to fifteen dollars a ton in mod-Fillay with the fathers, receive the holy erate quantities, the artificial ice is so d oils, and on Hoy Saturday hasten back to at five dollars, and thus a powerful and his chi dren in the wilderness to cele. successful competitor to the ice combrate with them the gorious festival panies spang up at the door of their of Easter. Rev. Fr. Bevere, of Notre depositories. The dealers ridiculed the Dame de Sion now travelling through 'machine' for a considerable time, but Harbor Grace -thence to Battle Harthe United States on a charitable mission in the end & triumphed, and prices were in behalf of the Orphans in the asylum at reduced. The actual cost of manufac-Jerusa em under the care of the famous turing ice in Flori la is not far from sev. Salmon River, calling at Henley H Ratisbonne who furnishes these interests enty cents a ton and this includes the ing particulars, says there Arabians are storing and delivery. It must be known, Sab on, Forteau, Lance-au-Loup, Red excellent Catholics and noble people. - however, that fuel in Florida costs, al- Bay, Chateau, Henley, Chimney Tickle most nothing. When so ids are Harbor, Mannock's Island, Ilack and, changed to liquids, a large amount of Cape Harrigan. neat is absorbed, and surrounding obects must supply it; if the liquid is volatilized or changed to a gaseous body, still larger supplies of heat are demand- Harrison, Sleigh Tiekle, Holton, Emly

ed. Thus, if caustic ammonia which in Harbor, White Bears, Smokey Tickles. its natural condition is a gaseous or aeris Bake Apple Bight, Indian Harbor, form body, is subjected to powerful Rigoulette, Pack's Harbor, and Indes doing so is forced to give up a large amount of latent heat if it is re ieved of pressure it again becomes aeriform and alternately. as it demands a large amount of heat it siezes it from all Todies in contact. If water is in contact its deprived of its atent heat and become frozen, and thus

In the arctic machine about 50 pounds of liquid ammonia are stored in a very strong iron cylinder, and this is connected with a coil of pipes immersed in a tank of strong brine: into this brine galvanizs ed iron cans holding pure water are paced of the books of ice which are formed. The liquid ammonia is allowed to flow through which the ammonia p ses on its way to the condenser. The process in a continuous one, and if the pumps and coils do not leak there is no loss, and the operation may go on so ong as the machinery lasts. The apparatu and the scientifice principles upon which it acts are very interesting, and we are convinced that at present there is no indrance to securing abundant supplies fice at cheap cost, in any tropical couns ry where fuel is abundant and of low

CAUTION,

The PILLS Purify the Blood, correct all lisorders of the Liver, Stomach Kids ners and Bowls, and are invaluable in n all complaints incidental to Females. The OINTMENT is the only reliable remedy for Bad Legs, Old Wounds, Sores, nd Ulcers, of however long standing. For Bronchitis, Diphtheria, Coughs, Inquiries made-questions answered Colds, Gout, Rheumatism, and all Skin Diseases it is no equal.

BEWARE OF AMERICAN COUNTERFEITS.

I most respectfully take leave to call the attention of the Public generally to yearly insertions in the paper and copy the fact, that certain Houses in New York are sending to many parts of the globe SPURIOUS IMITATIONS of my Pills and Ointment. These frauds bears on their labels some address in

New York. I do not allow my medicines to be sold in any part of the United States. I have no Agents there. My Media cines are only made by me, at 555 Ox-

ford Street London, In the books of directions affixed to the spurious make is a caution, warning the Public against being deceived by counterfeits. Do not be misled by this audacious trick, as they are the coun-J. & T. HEARN. terfeits they pretend to denounce.

These counterfeits are purchased by unprincipled Vendors at one half the IL WINDUALL price of my Pills and Ointment, and are sold to you as my genuine Medicines. NOTICE IS HEREBY GIVEN I most earnestly appeal to that sense

> Medicines, bears the British Government Stamp, with the words "HOLLOW WAY'S I'ILLS AND OINTMENT, LONDON,' MANAGER. engraved thereon. On the label is the address, 533. Oxfor Street, London, where alone they are Manufactured.

> > any other address are counterfeits. The Trade Marks of these Medicines are registered in Ottawa. Hence, any one throughout the British Possessions, who may keep the American Counterfeits for sale, will be prosecuted.
