ROBIN HOOD FLOUR

IS DIFFERENT
IT HAS ROUSED THE CURIOSITY OF THE WHOLE WEST
"Do you really think" one housewife will say to another "that this new flour can be better than the flour we are using?"
Madam, there is no doubt about it.
But there is just one way you can be convinced. You must use it yourself.
Our claims will not satisfy you, but we back up our claims in such a way that you will lose nothing by trying Robin Hood.
Your grocer will tell you about our guarantee which gives you back your money if you are not satisfied.

We All Use Them
Perhaps you have seen their best days and you have about made up your mind to purchase new. You think you are sure if you ask for and receive "Rogers goods" it will be all right. You are not, however, for there are many grades of so-called "Rogers goods." There is only one "1847 Rogers Bros." brand of Knives, Forks, Spoons, etc. (note "1847"), which is the original and genuine. This same brand was used by our grandparents and is the only "Rogers" silverware which has been in use since the year 1847. Fictitious brands of "Rogers" goods, etc., were unknown till many years later. Be sure the prefix "1847" is stamped on every article and you will get original quality.
Call and inspect them at
