Burin Election.

MR. LEFEUVRE RETURNED WITHOUT OPPOSITION.

Yesterday was Nomination Day in Burin to fill the vacancy occasioned by the death of the late Mr. Edward Davey. Mr. Lefevre was the only candidate nominated and was returned therefore without opposition.

This course will occasion no surprise to the public, who will have noticed that the Opposition Party was making no preparation for a contest. The reason of this attitude will be found set forth in the subjoined letters, the earliest of which was written nearly four months ago:

LETTER FROM MR. GEAR, M. H. A.
Editor Evening Telegram.

Dear Sir.—As the Daily News is labouring under a mistake as to the attitude of the Liberal Party in respect of the Burin District, I beg to put them straight, by asking you to publish the enclosed correspondence, which speaks for itself.

Yours truly,

H. GEAR.
LETTER TO SIR ROBERT BOND FROM MR. GEAR.

(Copy)
St. John's,
August 21, '11.

Dear Sir Robert Bond.—I enclose herewith for your perusal and consideration a letter recently received by me from our mutual friend, Mr. Bartlett, of Burin. As you know, Mr. Bartlett is a most loyal supporter of our party, and a wise, keen business man. He and those for whom he speaks no doubt recognize that a political contest in the district, at this time would only lead to a disturbance of business, and, as he says, the addition of one man to our forces in the House of Assembly, at late period in the life of Parliament, would be of no political advantage. Some of our city friends may like to see a fight put up, if an election is proclaimed. But I am sure you would feel that first consideration must be given to the opinions of our friends in the district.

Yours sincerely

H. GEAR.
Right Hon. Sir Robert Bond, P. C.,
K. C. M. G.

SIR ROBERT BOND TO MR. GEAR.

"The Grange,"
Whitebourne,
Aug. 28, 1911.

Dear Mr. Gear.—I have perused Mr. Bartlett's letter with much interest, and I entirely concur in the views

therein expressed. When the House of Assembly meets again it will have entered upon its fourth Session, and for the period that must elapse until a General Election takes place the present representation of the district of Burin must, I think, be generally regarded as satisfactory. If, however, a bye-election is held this autumn and my advice is solicited by our enthusiastic supporters in St. John's I shall certainly advise acquiescence in the wise suggestions so eloquently expressed by your correspondent.

Yours faithfully,

R. BOND.

LETTER FROM MR. BARTLETT, OF BURIN, TO MR. GEAR.

H. Gear, Esq.,
M. H. A.

Burin, Nfld.,
Aug. 9th, 1911.

Dear Mr. Gear.—Rumor has been rife for some time past that an election will be sprung on this district by the Government to fill the vacancy occasioned by the death of our lamented friend Mr. E. H. Davey. It has been a topic of conversation but little interest is being taken in it, because the intelligence of the district recognizes that the term of the present Government has nearly expired. They think it would be nothing short of a waste of public money to bring on an election at this date. The District is still Liberal and would, without doubt, remain true to its principles were we to engage in an election contest. But your friends think that an election is unnecessary, that a man added to the Opposition in the Assembly could add little in fighting a disproportionate majority, and no good could come of it. After consultation with numerous friends of the Liberal Party I can say that in their opinion Sir Robert would be unwise to bother himself in wrangling with such political foes at a bye-election. Let them put in a man by acclamation. It will be giving them a little more rope and they will hang themselves if given enough.

Yours sincerely,

GEO. A. BARTLETT.

Farewell to Lt.-Col. and Mrs. Rees.

Last night a great assemblage of people gathered in the S. A. Citadel to say farewell to Lieut. Col. and Mrs. Rees, who have laboured long and well for the social and spiritual uplift of Newfoundland. The chair was occupied by Hon. D. Morison, Minister of Justice. Proceedings commenced by song, followed by a prayer led by Ensign Hargrove. Then the Chairman expressed the appreciation of the work of the departing commander and his wife, and the good citizenship of Salvationists.

He then called upon the Hon. John Harvey who expressed his appreciation of Lieut. Col. Rees' co-operation in the efforts of the A. P. C., and his own gradual recognition of the social service of the Army.

Mr. Lloyd of the Evening Telegram referred to the Commander as a man who did his whole duty, typical of the Army workers, who found evils unheeded in the world, and who grappled with them manfully.

Rev. Joseph Thackeray had words of warm import for the work of Lieut. Col. and Mrs. Rees in Newfoundland. They had worked together often for the public good. It was no new thing for a Congregationalist to work with a Salvationist. In the Old Land, the Congregationalist had been among the foremost to stand by the Salvation Army in the dark day of persecution.

Mr. Gushue expressed appreciation of the spiritual uplift which the Lieut. Col. and his staff were working to accomplish.

Hon. J. A. Robinson told of the labours of Lieut. Col. Rees to give the children a good time on Coronation Day. He himself remembered Parson Booth, forty five years ago, before the movement had taken to itself the name of Salvation Army. Parson Booth of those days had often chatted to him as a little boy, and he remembered that his own father who was a Wesleyan Minister and Mr. Booth often walked together in Victoria Park, London, deep in conversation.

Rev. J. Bell spoke of the co-operation of Lieut. Col. Rees in the attempt to obtain Local Option in the city, and his splendid effort towards the shorter hour legislation for licensed premises. Lieut. Col. Rees was essentially a worker. The Army itself having passed through the stress of persecution, endured the age of toleration, had now reached the stage of appreciation.

Mr. H. E. Cowan had a good word to say of the splendid services rendered to the community by the Salvation Army, and especially of the efforts of Lieut. Col. and Mrs. Rees. He had had an abundance of opportunity of knowing what the Army were doing and could give personal testimony of its strenuous efforts.

In an earlier part of the proceedings letters of regret were read from Sir Edward Morris, Hon. W. R. Warren, Hon. S. D. Blandford, and Mr. J. R. Bennett.

Staff-Capt. Cave read a message of appreciation of the work of the Commander and his wife in Newfoundland from the Commissioner.

Mr. George Best told in a racy way of the indebtedness of the Salvationists of the Island to the Commander.

Mrs. Rees in a quiet affecting manner expressed her thanks of the kindly welcome extended to her on her arrival in Newfoundland and the warm hearted way she had been received all the time she has been here.

The Lieut. Col. then delivered a striking address telling of his 33 years work in the Salvation Army. He was especially thankful for the hand of fellowship that had been extended to him in Newfoundland. He believed the desire for co-operation in good work would increase among the people. He had found generous hearts and open hands in Newfoundland and thanked the authorities and the merchants, the Press and the people for what they had done in helping him in his labours.

Mr. I. C. Morris and Mr. Andrew Wilson were among those on the platform. After a vote of thanks, moved by Mr. R. A. Squires, M.H.A., in an eloquent speech, and the singing of "God be with you till we meet again," the meeting was brought to a close. Many stayed behind for a parting handshake with the Lieut.-Col. and his good wife. They leave by the six o'clock train to-night for Toronto, which will be their headquarters for the Social Department of the Canadian Province which they will take charge of. To them both the Evening Telegram extends best wishes for the success of their labours in the Great Dominion.

Yours in the work.

Fell Into Cut.

Shortly before 7 p.m. yesterday a woman, evidently near sighted and who did not see the lanterns over it, fell into a cut on Cabot Street, leading to a house being renovated. The cut was deep and the watchman on it received a great fright. The woman was not badly injured, but had a narrow escape from such if not death by breaking her neck.

Fishery News.

Curling—Fair fishing on the Humber.

Lark Harbor—Good fishing yesterday.

Sound Island—Very cold, fine; 2 and 3 tubs herring per net.

Fur appears boldly on hats—odds and ends of the petries that go to make up muffs and scarfs—and worn to match.

Holyrood Notes.

The annual meeting of the League of the Sacred Heart took place on Sunday. The reports of the officers showed this popular institution to be in good standing and flourishing condition. The election of officers was a very exciting and interesting affair, but the following ladies were successful in a well-contested election: Miss Mary A. O'Rourke, elected President.

Mrs. R. Dwyer, re-elected Treasurer.

Miss May Joy, elected Secretary.

The stork recently visited the home of Mrs. J. T. Kennedy; the capable and popular Postmistress, Holyrood, and brought her a beautiful baby boy. The mother and babe are doing well. Congratulations.

Rev. Father Dwyer has appointed Miss Bessie Mullooney, an Intermediate Graduate of Holyrood High School, teacher of Norris Arm school. Best made good standing in all the subjects of her exam. and doubtless will make a capable teacher and give satisfaction to the Board.

The schooner Hispanola, Capt. J. Lewis, has arrived at Harbor Breton, after making a quick trip to Gloucester with a load of green fish, the quarter part of which was caught on Labrador this fall. Capt. John's catch for this season is a record one, touching the 3,000 qtl. limit. This schooner will make a few more trips to Gloucester with fish this winter under the command of Capt. John F. Lewis. Capt. John is coming home to take a well-earned rest for the winter.

Mr. W. P. Walsh the census enumerator for Holyrood division, of Harbor Main District, has completed his work. His figures show a decrease in the population of Holyrood for the past ten years in the following ratio of 1,546 to 1,507.

Messrs. Kennedy and Butler have completed a substantial public railing around the centre of Holyrood. This certainly a good job.

Mr. James Mullooney has been promoted to station at Holyrood. Jas. is a good official and spent his period of probation on the Topsails and the promotion is well-deserved after long and faithful service. We congratulate and welcome him back to his native home.

The Kohler and Tonk Pianos are celebrated for their pure tone and lasting qualities. Selected by us as specially adapted for our humid climate—very little tuning required. CHESLEY WOODS, Sole Nfd. Agent. nov25,tt
