

Nfld. Poultry Association.

Hatching Preparations For Show.
The work of finalizing arrangements for their annual show was done at last night's meeting of the Newfoundland Poultry Association, which was presided over by the President, Mr. H. W. MacLennan, C.M.G. Arrangements were made for the annual show, November 30th and December first and second in the Church Lads Brigade Armoury. A Judge will arrive from Canada to award the prizes. Reports from the Publicity Committee were presented by A. J. Barry, Esq., in reference to holding a course of meetings in nearby parishes—illustrated by lantern of moving pictures of the poultry industry. Admission to these lectures to be free to the public, provided halls or outport schools are obtainable. Any clergyman wishing to have a delegation to give a lecture in the parish or any Society adjacent to St. John's wanting the Association's help will kindly send such a request to Secretary Stanley White, Water Street, City. The Association makes no charge for its services. Mr. Steven Embertley reported the results of the hatching eggs distributed this Spring. The Association is hoping during the Fall and coming Winter to extend its help and experience to the public in the nearby settlements. There will be an exhibit of flowers, plants, and vegetables at this year's show, and there will also be a section open to housekeepers for plants. A model house containing a pen of live birds will also be featured by the Association for the benefit of the work.

Prospero From North.

NO DAMAGE DONE BY BREEZE.
According to the report brought by S.S. Prospero, Capt. Felix, which arrived at 5 p.m. yesterday from the Westward, no damage was caused by Thursday's gale, although the ship had to delay at Bay Verte until it was over. All schooners had reached safety before the storm had become very bad. Bad weather also delayed the ship at Trinity. The fishermen are chiefly occupied in getting their catch ready for market, and very little fish is consequently being done along the coast. Besides a large freight the Prospero brought the following passengers:—Messrs. Decker, Field, Penney, Pilgrim, Burridge, Norris, Rev. P. Pumphrey, Murdock, Blackler, Farrell, Capt. Haan, House, Thistle, House, Perry, Oakley, House, Ozone, Gringer, Hagen, House, March, Banister, Green, Hayer, Brassman, Lang, Messrs. Gullford, Fiel, Nink, Murdock, Peck, Pierce, Reid, Grimes, March, Field, Misses Field, Gullford, Kellier, Ane, House, Lawrence, Murphy, Gringer, Pitcher, Wiseman, March, Missa, Freeman, Gardener, and 26 in all.

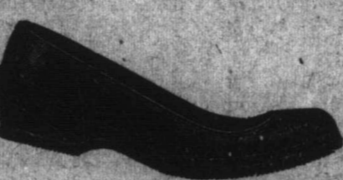

DANCING.—Miss Bremner has resumed her Evening Dancing Classes for ladies and gentlemen; also private lessons. For terms, etc., apply to 99 Military Road.—Oct. 11.

Personal.

Miss Muriel Rogerson left by Sunday's express on an extended visit to friends in Canada.

Sunday's Battalion parade was almost a record one notwithstanding the rain storm. All the Veterans answered the roll call and went right over the top without their great coats straight to it through the showers. The Girl Guides also paraded in good strength but having no officer in command decided to await orders as good girls do. They proceeded to the Cathedral and were given the front pews by the Church officials. They looked smart in their kit and wore for the first time their new navy blue caps with Spencer College ribbon in a neat bow on the front. These girls acquitted themselves well notwithstanding the rain and they certainly do not belong to the feather bed squad or fine weather company. The Colonel was in command, Major Tait M.C. as Adjutant and His Excellency the Governor who is the General officer in command of the Cadet Battalion met the officers at the Cathedral and attended the service. There were nearly twenty commissioned officers present and about three hundred of all ranks on parade. The Old Comrades, under the Vet-

eran Big Chief, Ern Chafe, turned out about fifty strong and marched like the Old Guards that they are! The service at 3 p.m. was a joint one—the men of the Cathedral Men's Bible Class also being present. The choir were all present excepting the tenors and basses. The service was conducted by His Lordship, the Bishop, Regimental Chaplain, and Rev. J. Brinton, Battalion Chaplain. The sermon was preached by His Lordship the Bishop on the subject of "Life's Vocation" and appealed to the lads that they should never despise their calling in life's duty whatever it happened to be. He gave several references to young lads who by study made great progress and achieved wonderful results and exhorted all to make good use of their time always. After the Battalion returned to the Armoury the Colonel made the following presentations, (1) a new Oboe to Bandmaster Captain Morris for use in the Band. This is the only instrument of its kind in the Dominion and will soon be heard to advantage. It was subscribed for by the following admirers of the Bandmaster's work, Mrs. William Piecey, Mr. Edgar Bowring, Mr. Leonard Outerbridge, Lieut. Mott, and Ex-Sergt. Ern Warren; (2) Gold Medal to Pte. R. Dawe for winning the half mile race in Camp 1921. This was presented by Old Comrade Max Parsons and is a handsome specimen of the jeweller's art. (3) Two five year long service pendants were also presented to Lance Corporal John Bartlett and Edward House; (4) Lieut. Fred Reid was also presented a gold service pendant, the medal being subscribed for by the members of the W. O. and N. C. O's. Mess. Lieut. W. R. Mott, (the Food Controller) was also in luck for the same Mess also presented him with another gold service pendant in appreciation of his service.

The Colonel has altered the parade nights—Tuesday being Battalion night and Thursday being W. O. and N.C.O's night. Sergt. Major Rendell's swimming class are doing well. Unfortunately one of the "bathing beauties" had an accident—diving too straight—struck bottom and spoiled his Grecian nose so that they are minus one beauty for a time. The Armoury repairs are going steadily on—the Brigade officers pinning their faith in the public—that during Brigade week, Nov. 14 to 21—they will patronize the Brigade's efforts to help themselves in meeting the cost of the work.

SWEET, PURE MILK—always on hand when you want it!

If you have never used Libby's Evaporated Milk, you will be amazed to find how good, how convenient and economical it is. Many women who first tried it in some emergency now use it always—they find it gives such satisfactory results.

There's no waiting for the milkman—you can always keep several cans on the shelf and in summer there's no bothering with ice, and in winter the milk wagon can get stuck in a heavy drift of snow as often as it wants to!

And there's less waste—a can of Libby's Evaporated Milk will keep indefinitely before being opened—and after you have opened a can you can use just what you need; the rest, put in a cool place, will keep several days.

Libby's Milk comes from the finest dairying section of America and is processed in our own sanitary condensaries—it is not the "distributed" product of an unknown and nameless plant.

Order a tin from your grocer to-day.
