

We have received from Mr. T. J. Day "Good Words" for January. It is full of good reading.

The New Jersey Southern Railroad Company has ceased running trains, the employees refusing to work unless the wages due them are paid.

Mr. John Anderson has sent us "Good Words" and the "Sunday Magazine" for January. Both are excellent numbers.

In a caucus of Republican Senators, this week, evidence was produced showing that Mr. Cushing, during the war, was in communication with Jefferson Davis, at the same time holding confidential relations with the Federal Government.

Wooden shoes are highly recommended by the agricultural societies and Government of Europe, as it is shown that many diseases resulting in impaired constitutions and even in the loss of life have resulted in wearing leather shoes in wet weather.

"PETER SANNOX'S HEIR."—The Scottish American Journal, which is to be complimented upon its sustained ability and the care and labour with which its general contents are always selected and edited, makes the following announcement:—

"We beg to draw the attention of our readers to the new story commenced in the present issue of the Journal. It has hitherto been our practice to procure the most healthy and instructive literature for the delectation of our subscribers, but this time we have been especially fortunate in that respect.

We deem it better to let our readers form their own opinions as the plot of the tale unfolds itself, and we fearlessly await their verdict. We take it that we could not have hit upon a more acceptable New Year's gift for our numerous friends, and we anticipate that many a Scottish tongue will be charmed and pleased by 'Peter Sannox's Heir.'"
