BRONCHOS WIN CHAMPIONSHIP OF WESTERN CANADA LEAGUE BY DEFEATING DEERS IN DECIDING GAME SATURDAY

Sixth Game of Post Season Series Went to Julie Strief's Men by Score of 13 to 5; Big Bill Barenkamp Pitched His Third Game of Week and Won It

(By Joe Price)

SAID Julie to Willie: "See here Bill, we haven't got any grounds to play on after this afternoon. We've simply got to get this game from Mr. Hurley's men. Now you go in and pitch your durned head off if necessary, but win this game!" and Willie did.

This little dialogue may or may not have taken place before Saturday afternoon's game at Hillhurst Park, but this much is certain: Bill Barenkamp went in and pitched and the Bronchos won the game. The score was thirteen to five, which clearly demonstrates the fact that the Bronchos didn't win the pennant on a fluke.

It has been some pennant race. The Deers fought every inch of the way. The Bronchos have won a majority of their games against the Deers. But the best of pitchers are due for a tumble some time, and luckily for the local team, Daniels was due for his beating on Saturday.

It was a modern version of Daniel in the lion's den. The chief difference was that the modern Daniel was not a sucker, like his Biblical ancestor, and the scriptural lions were displaced by animals known as Bronchos.

The Bronchos did not win a game in Calgary and a majority of those in Red Deer against the Deers. But the best of pitchers are due for a tumble some time, and luckily for the local team, Daniels was due for his beating on Saturday.

JOE WOOD PITCHES HIS SIXTEENTH VICTORY

St. Louis, Sept. 15.—Pitcher Joe Wood won his sixteenth straight game today, and equaled the American league record made by Walter Johnson of the Washington team this season, when Boston defeated St. Louis in the second game of the double-header, 2 to 1. The game was called at the end of the eighth inning on account of darkness. St. Louis won the first game, 3 to 4, defeating the Athletics.

BASEBALL FIELD DAY THIS AFTERNOON

Ball Players Will Put on Good Program of Sport for Dean's Benefit

Baseball fans will have their last opportunity of seeing the champion Bronchos in action this afternoon at four o'clock. They will play an exhibition game with a picked team from the league for the benefit of Al Dean, Calgary's left fielder, who has just come out of the hospital after undergoing an operation for appendicitis.

The baseball game will be but one feature of the afternoon sport which has been provided by the baseball boys.

The chief attraction will be the field day, when all sorts of athletic contests which are typical of the game of baseball, will be held.

There has existed all season a dispute among the fans as to whom should go the honors for being the speediest man in the league. Some have claimed that "Piper" is the real speedster, and still others that Rube Mills should take the prize. This and several other athletic feats will be settled this afternoon.

The following is the list of prizes which have been offered by Calgary merchants:

Funco hitting—First prize, value \$7; donated by Dan Cashman; second prize, value \$5; donated by Home Place.

Running bases—First prize, value \$5; donated by C. H. Dalton; second prize, value \$3; donated by J. H. Dalton.

100 yard dash—First prize, \$5; donated by Tommy Burns & Co.; second prize, \$3; donated by J. H. Dalton.

Distance throwing—Prize, \$5; donated by W. Diamond clothing store.

Best time to first base—Prize one box of Bruino cigars, donated by Royal.

Ugliest contestant—Prize \$5; donated by Dan Cashman.

Winner of ball game—Prize Cigar Special cigars, donated by Georgetown & Co.

Philadelphia, Sept. 14.—"Mile" Gibbons, of St. Paul, showed much superiority in the eighth round of the fight, in their scheduled six-round bout at the National A. C. here today, and the referee stopped the fight, McCarty lay helpless on the floor when the referee sounded the end of the second round. Gibbons hit McCarty where he pleased and had the Philadelphia man completely at his mercy.

UNITED STATES PALMA TROPHY

Canadians Were Defeated by Small Margin of Eight Points

Accident to Orthoptic Caused One of Canada's Best to Fall Down

Most Exciting and Evenly Contested Team Matches in History

Ottawa, Sept. 14.—The United States Palma trophy at Rockcliffe Saturday with a score of 1720 against Canada's score of 1712. Both teams beat the previous world's record for eight men at 800, 900, and 1000 yards ranges.

It was without doubt the most exciting and evenly contested team match in the range of the Palma trophy. The difference between the champions and the losers.

It was anybody's match from start to finish. There was no great difference between the teams, as on the last occasion when the Americans ran away with the honors, Saturday the Canadians were evenly matched that the result was decided by one piece of bad luck which befel the Canadians.

It happened in the 900 yard range, when Sgt. Kelly of the 10th Royal Grenadiers, Toronto, one of Canada's very best crack shots, broke, dropping 13 points in the range.

It was a very close contest, and the completion of half the shooting at that distance was three points, into an American lead at the end of this range of seven points.

C. M. R. LACROSSE MEN SWAMPED AT COAST

Vancouver Beat the Winnipeg Lacrosse Challengers by 28 Goals to 5

Visitors Hopelessly Outplayed and Outgeneraled by Coast Players

Mann Cup Safe in Vancouver for at Least Another Year

Vancouver, B.C., Sept. 17.—Twenty-eight to five. This was the score in the lacrosse game played at the Stanley Park yesterday, in which the C. M. R. team of Vancouver beat the Winnipeg Challengers by 28 goals to 5.

The Winnipeggers did not pretend championship qualities, and as they were outplayed by the coast players in their league, much may be said to condone their defeat. The majority of the visiting team were pretty stick handlers but they lacked lacrosse tactics and were hopelessly out-generated and outplayed on the field.

The Winnipeggers did not pretend championship qualities, and as they were outplayed by the coast players in their league, much may be said to condone their defeat. FRANK PATRICK TO BUILD RINK AT WESTMINSTER

Coast Hockey Mogul Expects to Have Rink in Each City This Next Season

New Westminster, B. C., Sept. 15. Frank Patrick has all but completed arrangements for the erection of the rink in New Westminster, which will mean that each club in the Pacific Coast league will have a rink of its own. Patrick was over here yesterday, and the contract for the building will probably be awarded in two weeks' time.

New Westminster last season won the coast championship, and were awarded with Quebec for the Stanley cup, but the lateness of the season prevented their making the long journey. Patrick states that he has all the men he wants including the majority of the last year's players.

Johnston, Hyland, Gardner, and Mallen, who were considered the most brilliant of the last year's players, are at the head of the pack, along with the Mayor Wells Gray, manager of the Minto Cup Lacrosse champions, is at the head of the pack, along with the Mayor Wells Gray, manager
