Construction of City's Improvements Gives Work to More Than 500.

FINISHING NEW BRIDGE

Last Pier of Wharncliffe Road Structure Will Be Put in Immediately.

Local improvement work in the city s well under way, and within the next few weeks, it is estimated that more han 500 men will be given employment on various kinds of construction. The city engineer's department which has the contract for considerable sanitary sewer construction, and private contractors, who will build sewers, sidewalks and pavements, are now getting their gangs to gether and some work has already been commenced.

The Harding Construction Company has a number of men at work finishing a contract on Oxford street, east of Adelaide, which was not reached last fall, and Foley & Gleason, the Ottawa contractors, who have the paring jobs, are grading York street in preparation for the laying of asphaltic concrete. The engineer's department is putting in curbs and gutters on Clarence street.

City employees are also engaged in the construction of an urgently-needed sewer on Kent street, and another is to be put in at once on Simcoe street. The Fielder Construction Company has commenced the sanitary sewer

work on Ingleside street.

Work on the West London breakwater will be commenced in May, and Varieties that are recommended by the Vegetable Gardening Department of the O. A. labor. Engineer Ashplant is now getting the plans in shape.

The last pier of the new Wharncliffe bridge will be put in immediately, the engineer advised this morning, after which the remainder of the steel sweet. which the remainder of the steel superstructure will be placed in position ready for the cement flooring. It is expected that the bridge will be open for traffic at the end of the summer.

AFTER 400 MEMBERS

That is Goal of London and Western Motor League Officers.

A meeting of the London and West-ern Motor League, was held at Keene Bros. store, King street, yesterday afernoon, to discuss and formulate plans whereby the membership of the club could be increased to \$400.

Despite the fact that the member-

ship of the club has increased 70 per cent. during the past two weeks, the officers have planned an extensive campaign, covering the entire city. Every owner of a car in London will receive a circular letter illustrating the many benefits derived from the club, and asking that he join. Those who do not will be personally can-

PASTOR NOT YET CALLED

No Successor Chosen to the Late Dr.

No call has yet been extended to any minister to fill the vacant pastorate of St. Andrew's Presbyterian Church, formerly held by the late Dr. James Ross.

Ross of St. Andrew's Church.

Rev. Thomas H. Mitchell, interim moderator of the session of St. Andrew's Church, stated today that as yet no prospective pastor was under consideration. Instead of inviting ministers to preach in St. Andrew's Church, a committee was appointed early in the winter to hear ministers preaching in their own pulpits, but as yet this committee has not reported.
