"BACK IMAGINATION UP WITH ACTION"

E. Dennis Speaks On "Imagination and Business" At Kiwanis Luncheon.

"Imagination in Business," was the subject of the address given by E. R. Dennis at the Kiwanis Club luncheon Friday.

The speaker declared nothing great had ever been accomplished without it first having been imagined, and that imagination, or inner sight, being backed up by action.

Everybody was in possession of the power of seeing pictures of what might be, but most people had not the confidence to support it with their will and judgment and make it a reality.

It is usually thought that a child who has a very vivid imagination would make a much better professional man than a businessmen, but such is not the case, if the will and judgment are properly combined with the imagination.

Every person who gives anything new to the world must first see a picture of the thing in his own mind, before it can be developed and turned into use for mankind.

It would be impossible to have an inventor without any imagination.

The speaker mentioned several things in use throughout the world today that were a direct result of some person using their imagination. He continued: "Imagination is the thing that places ideals before the minds of people, they get an ideal and the mind draws a vivid picture of it and they carry that view around with them and then create the ambition to be exactly like the picture in their minds."

The next meeting of the club will be installation of the new officers for the coming year.

GRANT WILL ASK PROBE OF CHARGES

City Hall Official Incensed At Allegations of Discrepancies in Department.

Assessment Commissioner Stephen Grant is going to write to the new council, and ask for an investigation into the alleged charges made against his department by City Clerk Samuel Baker. It is understood that Mr. Grant and Mr. Baker had an interview on the matter Friday morning.

Mr. Baker himself is very much displeased with the publication of the story, intimating that there was what amounted to a breach of faith. The alleged charges, Mr. Baker said, as published, were at variance with remarks which he made during a casual conversation.

The city clerk says that he is not preparing a report for the council on the alleged errors of the assessment department. When Ald. Wenige made statements that there were many errors in the voters' list, Mr. Baker said that he had a report ready on some 300 appeals, along with an offer of $100 a mistake for every one that could be traced to his department.

The publication of the story is causing considerable rift at the city hall, and creating discord between the two departments.

The matter will likely be gone into thoroughly when Mr. Grant's request for an investigation is before the city council.

PLAYS SANTA CLAUS AT ST. MARY'S CHURCH

A happy event took place Thursday night at St. Mary's Church, when the choir of the church held its first annual Christmas tree. The hall had been suitably decorated for the occasion, Chas. Allen making a most realistic-looking Santa Claus. During the evening short speeches were given by Father Chisholm, Father Webber, J. McHale and Arthur Carty.

About 60 were present, spending the time in dancing, games and cards. About 11 o'clock supper was served from a gaily decorated table. The church orchestra, under the direction of Organist Harold Payne, furnished delightful music throughout the evening.

The success of the event was largely due to the excellent committee in charge, Fred Allen, T. Mockler, Misses Olive Carty, M. Bergen, H. McInnes and Marie Orendorff.

CAIRO NATIONALISTS EXILED TO CEYLON

Cairo, Egypt, Dec. 30.—Said Pasha, Nationalist leader, and his five followers who were arrested at Cairo last Friday sailed from Suez for Ceylon last night.

There has been considerable speculation as to their ultimate destination. The six Nationalists were ejected from Cairo after refusing to discontinue political activity and their removal was followed by rioting in Caro and other cities in which a number of lives were lost.

Hold "Crashing Tests" For Airplane Petrol Tanks at Aldershot

ALDERSHOT, England, Dec. 30.—"Crashing tests" of airplane petrol tanks are being carried out here by the air ministry with the object of discovering a tank that will withstand any accident without leaking or catrhing fire.

Petrol-filled tanks of different makes, fitted with all sorts of "shock absorbers," are shot down a 45 degree slope at a velocity of 50 miles an hour, landing on a solid concrete bed. Later they will be subjected to machine gun fire with incendiary, armor-piercing and explosive ammunition. The manufacturer of the tank best withstanding the tests will receive a prize of £1,400 and there are also prizes for second and third.

EAST MEETS WEST IN POLICE COURT

Prisoners From Alberta and Nova Scotia Charged With Vagrancy.

It was a case of "east meet west" in police court Friday morning, when George Smith of Grant, Alta., rubbed shoulders with Alex. Ferguson from Halifax, N. S. Both young men had been harvesting out west and had managed to get as far as Toronto. They were arrested there on a charge of vagrancy.

Smith told Deputy Magistrate P. H. Bartlett that he had never visited the east before, and had bought a ticket to Toronto. He came to London looking for work.

"What am I going to do with this young fellow, chief?" inquired the court. "There is nothing for him to do, apparently; he is far from home and friends."

"Head him back west," replied Chief "Maybe six months in Burwash would do him good, and in the spring he could go back home."

"This boy should get something to do. He is an experienced farm hand, so he says," declared the court.

Ferguson said that he did not want to go home to his father, as he had lived off him the greater part of the summmer before going to the grain fields of Manitoba.

"I loafed around home when there was nothing to do, and I don't want to do it any more," he stated.

Mr. Bartlett adjourned the case for two weeks.

POULTRY PRICES DROP ON MARKET

Live Hogs Sell at Slightly Advanced Quotations.

Trading was very quiet on the local market Friday. Very little produce of any kind was offered. Several loads of hay were offered. The prices ranged from $15 to $19 per ton.

Live hog prices show a slight advance over former quotations, now being at $10 to $10.25 cwt. for selects.

Dressed hog prices also show an advance, ranging from $14 to $14.50 per cwt.

Turkey sales are slow. A large number of large birds have been offered during the past week, but the smaller ones are most favored. The prices are easier at 50c and 55c per pound.

Geese were very plentiful on Thursday. The prices were lower, and ranged at 25c to 27c wholesale, and 28c to 30c per pound retail.

Egg prices are somewhat easier, and were selling at 60c to 70c per dozen wholesale, and 70c t o80c per dozen for strictly new laid.

Market officials predict that the poultry prices for Saturday will be lower, especially for geese.

Chicago, Dec. 30.—With ouinion current that the government report on winter wheat indicated a 1922 crop of 50,000,000 to 70,000,000 bushels above general expectations, the wheat market today showed considerable weakness during the early dealings. Bulls, however, insisted that the indicated crop was about 100,000,000 less than at this season last year, and that the Jan. 1 export surplus would total only about 30,000,000 bushels. Opening quotations, which varied from 1c decline to a like advance, were followed by downturns all around.

Corn and oats sagged with wheat. Corn opened ¼c to ⅝c lower, and showed but little power to recover.

Oats started unchanged to ⅜c to ½c off, and later underwent a slight general setback.

Winnipeg, Dec. 30.—Opening: Wheat—Dec. uncharged to ¼c lower at $1 08⅝ @1 08¾; May, ¼c higher to ⅜c lower at $1 13¼@1 12⅞; July, ¼c lower at $1 10⅝.

CAPTURE CAFE BANDITS IN N. Y. AFTER GUN FIGHT

New York, Dec. 30.—Joseph Cichocki and Alexander Botofesk, two alleged bandits, were captured by the police early this morning after the hold-up of a Chinese restaurant in Brooklyn. They are charged with assault and battery and violation of a law forbidding the carrying of weapons of a deadly character.

The men are said to have held up the manager of the restaurant and secured about $35 from the till, but Chinese cooks in the place saw what was going on and gave the alarm. Policemen rushed to the place, and when the men ran out of the restaurant a pistol battle began. The fight continued until the cartridges in the alleged bandits' guns were exhausted, and then the police closed in with the fugitives. Both were beaten into submission, and early reports stated they had been seriously wounded, but it was found later their injuries were superficial bruises.
