been laid at the north end of the Wortley
road.

ing to be better done so far this year than
ever before.

The Port Huron Police Commission has
refused to accept Chief Stoddard's resignation,
and he will continue at the head of the
department.

Mr. Ed. Brock, formerly of South
London, returned home to Woodstock Friday
night. He was here attending the funeral
of his father-in-law.

Col. Beattie, of Windsor, proposes to
organize a company of volunteers at
Walkerville, and have them ready for the
encampment here in June.

Squire Lacey suspended sentence Sat-
urday morning in the case of Bert and John
Clark, and Frank Armstrong, charged
with trespassing on Mrs. Friend's property
near London West.

De Gurse have completed their inspection

will require three or four days in which
to prepare his report.

The death took place Friday evening of

and mother of ex-Ald. John Boyd, of this
city. Deceased was over 70 years of age,
and resided here for upwards of forty
years.

Miss May F. B. Boomer, of 1,075 Rich-
mond street, leaves on Monday by M. C. R.
train for Los Angeles, Cal. On her

Watkins, formerly of this city. Her many
friends wish her a pleasant journey and
safe arrival.

Mr. and Mrs. Wm. McCallum, of Wind-
sor, have been on a visit to Mrs. McCal-
lum's uncle, Mr. James Taylor, Bruce
street, and her cousin, Mrs. W. Smith,
Wellington street. The young folks are
on their honeymoon trip, and left for
home Saturday evening.

Railway crossing watchmen are often
not careful enough in raising and letting
down the gates. Late Friday night a citizen
driving under the Talbot street gates of
the G. T. R. received a nasty blow on the
head from the iron rod which supports
one of the gates.

At the monthly meeting of the Women's
Foreign Missionary Society at Knox
church Friday afternoon the retiring
treasurer of the society, Mrs. Tanner, was
presented with ten volumes of missionary
and other literature. The presentation was
made by the President, Mrs. Ballantyne,
on behalf of the society.

The charge of violating the Truancy
Act against Samuel Graham was dismissed
for want of evidence by the Police Magis-
trate Saturday, as the school mistress
failed to produce the purchase ticket. James
Harwick was fined \$5 for twenty
days for drunkenness, and one other drunk
was discharged.

Ben Kennedy, who, with O'Callaghan,
murdered Jailer Leach, of Sandwich, and
who is now serving a life sentence in the
British Columbia Penitentiary for man-
slaughter, made an attempt, in company
with a 10-year prisoner named McCabe, to
escape a few days ago. The guard, how-
ever, was too quick and shot McCabe
fatally, when Kennedy threw up his
hands. Kennedy made a similar attempt
three months ago and his pal was killed.

The suit of Margaret Grange, admin-
trix of Wm. Grange, of Barriefield, vs.
the London Life Insurance Company, was

The action was brought to recover \$517,
the amount of three industrial insurance
policies on the life of the plaintiff's late
husband. The company contended that
the policies had been wrongfully obtained,
and offered to pay back all the premiums,
which offer plaintiff refused. After hear-
ing the evidence the Chief Justice reserved
decision.

The G. T. R. employees of Woodstock
gathered at the residence of Mr. William
Hayden, the new agent at Peterboro and
retiring agent there, Friday night to bid him
an official farewell. Mr. John A. Mac-
kenzie, G. T. R. city ticket agent, presided,
and Mr. J. W. Watson, who has been
foreman for Mr. Hayden for some
years, read an address which was accom-
panied by a present of a beautiful and
costly tea and coffee service. Mr. Hayden
leaves for Peterboro in a few days. He
was agent there for many years, and is
a popular official.

The Young People Church Improvement
Society, of the Wellington Street Metro-
dian Church, held their annual meeting at
the residence of Mr. J. A. Taylor, 181
Clarence street, the other evening, when
the following officers were elected: W.
H. Winnett, president; Miss E. Brown,
vice-president; Jno. Chapman, secretary;
Jno. Allen, treasurer; Mrs. McCutcheon,
organist; Miss McCutcheon, assistant
organist. The society is in a very pros-
perous condition, and raised considerable
money during the past year for improve-
ment in and around the church.

A despatch from Ottawa says: "The
congregation of Knox Church has decided
by a vote of 126 to 57 to extend a call to
Rev. James Ballantyne, of London. The
minority were in favor of the Rev. W. T.
Winfield. The salary was fixed at \$2,500.
The pastorate of Knox Church has been
vacant for a year, since the Rev. F. W.
Farries left Ottawa." Another despatch
says the vote was 115 to 96, and that some
of the Winfield supporters refused to
make the call unanimous. Rev. Mr.
Ballantyne was seen this afternoon by a
FREE PRESS reporter, and stated that
he had received a telegram extending the
call, but he was not prepared to say what
course he would take until made aware of
all the facts concerning the call, and also
how his congregation here would be af-
fected. The field at Ottawa was certainly
larger, and appeared to be inviting. Rev.
Mr. Ballantyne preached but once for the
Ottawa congregation, and that was ten
months ago.

Corn Sowing

It is a process conducted by the agency of
tight boots all the year round. Corn reap-
ing is best conducted through the agency
of Putnam's Painless Corn Extractor, the
only safe and sure-pull corn cure. Put-
nam's Extractor is now widely imitated,
beware of all poisonous and sore-produc-
ing substitutes; they are dangerous to use
and are sold simply because they afford
the dealer larger profit.

The United States sent abroad furs to

same time was sent to England last year
\$9,551,000 worth of shoe leather.

WHAT DOES THIS MEAN?

Disturbing Circulars From M. C. R.
Headquarters.

TO PULL UP STAKES ENTIRELY.

Officials all Over the M. C. R. Lines
Notified That the Company Will
Pull Out of London—Mayor Esary
Says There was a Satisfactory
Understanding.

Late Saturday afternoon telegraphic cir-
culars were received by the M. C. R.
officials at the Canadian headquarters of
the company at St. Thomas, from General
Manager Ledyard and another from Gen-
eral Passenger Agent O. W. Ruggles to the
effect that after Monday night, April 30,
the M. C. R. would discontinue running
trains over the London & Port Stanley
Railway.

The substance of the circulars was im-
mediately telegraphed to the officials of
the company here, instructing them to
sell no more tickets for points on the
L. & P. S. R., and also to receive no
more freight. The order was received
with great surprise, and created a sensation
among the fifteen or twenty employees.
Nothing of the sort was even thought of,
as it had become to be generally under-
stood that the company would continue
operating over the line to St. Thomas after
May 1, the date when the new lessees of
the L. & P. S. R. are to take hold. No
explanation in any way satisfactory to the
men could be surmised, and there appears
to be no doubt that the official circulars
mean exactly what they say—that the M.
C. R. intends to pull out of London on and
after to night.

A FREE PRESS reporter interviewed
Mayor Esary on the subject yesterday.
His Worship had not heard of the order,
and was surprised when told of it.

"I can give no explanation for such a
course on the part of the M. C. R.," he
said. "What was believed to be a satis-
factory arrangement between the M. C. R.
and the new lessees of the city's road, the
L. E. & D. R., was arrived at two weeks
ago, whereby any differences as to rent to
be charged the M. C. R. was to be fixed
by arbitration. In accordance with the
agreement upon which the M. C. R. Co.
have been operating the L. & P. S. R., the
city gave them ten days notice to quit,
expiring Monday night, in order to make
way for the new lessees. But the under-
standing had at Detroit was that the M. C.
R. would continue to operate over the
road just as they did when the G. T. R.
owned the line."

"And has the city received no notice in
any shape of this action by the M. C. R.?"
"No, indeed," he answered.

The official circulars are lengthy docu-
ments of about 500 words, but their im-
portance is shortly told. That from Manager
Ledyard simply says in effect that "On
and after Monday night the M. C. R. will
withdraw and discontinue running trains
over the L. & P. S. R. N. City all heads of
departments to that effect." General
Passenger Ruggles was in sub suc-
cessful in his attempt to get the M. C. R.
to discontinue selling tickets on the
L. & P. S. R. without the usual coupon
attached, as we discontinue running over
that road Monday night, April 30."

An Agreement.
To the Editor of the FREE PRESS.

Ruthven, April 23, '94.
SIR,—Through the columns of your
esteemed paper please answer the follow-
ing and oblige a subscriber—

1st. Can I hold wood and logs out after
the 1st of May by the agreement, which I
enclose for your inspection, as his time
ends at that date?

2nd. If not, what way had I better
proceed to make him remove it, as I want to
burn the fallow?

3rd. Can I get any damage or recom-
pense? By answering the above you will
greatly oblige. Yours truly,

SUBSCRIBER.

ANSWER.—1. As time is not stated to be
the subject of the agreement, the purchas-
ers are not limited to the exact period
mentioned, nevertheless if they fail to
abide by the terms of the agreement they
are liable to pay the damages you actually
sustain by such failure on their part.

2. Notify them that you will look to
them for damages for breach of the agree-
ment, and that you will also remove the
logs as well, and look to them for pay-
ment for such trouble in addition to the
damages, and that the property will be at
their risk. Give them ten days' notice.

3. Answer included in above statements.

Rainy River Gold Discoveries.
Washington, D. C., April 28.—United
States Consular Agent Wiley, at Port
Arthur, Ont., reports great excitement in
the Lake Superior region over the Rainy
River gold discoveries. Five thousand
people are waiting for the ice to break up
in order to go in. Nearly all the new
claims taken up on the American side are
contested. Consequently the greatest part
of the mining work and attention of
capitalists will be attracted to the Cana-
dian side of Rainy Lake and up the Seine
River, where quartz veins carrying free
gold have been located. Sam Gilman, a
son of the Governor of Minnesota, has sold
a half interest in a Canadian claim for
\$4,000 cash. Capitalists from New York,
Idaho, California and other States are there.

Forming a New Labor Organization.
Philadelphia, Pa., April 28.—In response
to a call issued by Jos. R. Buchanan, of
New York, formerly a prominent member
of the K. of L., a half hundred representa-
tive trade unionists met here to-day for
the purpose of considering a proposition
to form a new national trade organiza-
tion, which would absorb the Knights of
Labor, the American Federation of Labor
and all kindred organizations. Many
prominent labor leaders were present.
Joseph R. Buchanan was chosen presi-
dent, chairman, and the other officers
elected were:—A. W. Wright, vice-chair-
man; Frank E. Foster, secretary and
treasurer; Miss Madge Miller, assistant sec-
retary, and John O'Keefe, sergeant-at-
arms. The conference will continue until
to-morrow, when the report of the Com-
mittee on Resolutions will be presented.

The Secret of Happiness.—It
was not bad generalship; it was neurologia
that lost the battle. It was not a bad heart;
it was dyspepsia that made Carlyle so hard
to live with. Headaches have shattered

sible for the wrong order that lost an em-
pire. The cure for sick or nervous head-
ache, for neurologia and biliousness, was
Stark's Powders. In other words, Stark's
Powders spell happiness. An infallible,
swift and easy remedy. 25 cents a box.
