THE DAILY COLONIST. Published Every Day except Monday Per year, postage free to any part of Can-Parts of a year at the same rate. THE SEMI-WEEKLY COLONIST. Per year, postage free to any part of the Dominion or the United States \$1 50

Subscriptions in all cases are payable strictly

imment to prohibit the publication of surveyapagers. It is not intended to prevent the publication of newapagers on Monday merning. On behalf of the effect that only Canadian goods bould be carried, which would hardly newapager employes of British Columbia we protest against this attempt to deprive them of their Sundays as days which would hardly not be in x seeping with the new policy. On the other hand a line on the Pacific deprive them of their Sundays as days with the would be the building up of a commerce of fact. Sunday newspapers ential no islandy a matter of theory, but one of sunday, and the result factor and worship. Their is most simply a matter of theory, but one sunday and the result factor and worship and the short time required by carriers a collection of news for Monday's paper, Canada and the countries referred to is fullest possible interchange of ideas and another ventures to intimate that he collection of news for Monday's paper, Uanada and the countries reterred to 18 Juntest possible lateral and another ventures to intimate that the and Sunday is simply a day of labor like any other. Where, as in British Columbated and the torrid sist of the interchange of commodities between the temperate and the torrid size of the interchange of commodities between the temperate and the torrid size of the interchange of commodities and another ventures to intimate that the size of the interchange of commodities and another ventures to intimate that the size of the interchange of commodities want the business of men who have snap enough to go to the Yukon they snap enoug of the office go home in the very early and go to work on Sunday in order to immense advantage of both countries. the absurd prejudice of some people, to submit to the business men of the the goods what they are represented who think because a paper is dated on countries which he is about to visit. If to be. Sunday, although nine-tenths of the this is done we are quite sanguine that The observations which our correswork on it is done on Saturday, a moral the next session of parliament will pondent makes in regard to cattle feedin their oninion be fully observed exhed for the line of the subsidy ing are well worth close attention. With

of the Sunday paper. If there are those who think the secular news of the week should not be read on Sunday they can monte Cristo, Silverton or Okanagan, put their papers away and read them on the world find ten times of the w should not be read on Sunday they can put their papers away and read them on they would find ten times as much gold as they will ever be able to discover in but a very large number of people find the Cariboo country. We sympathize with but a very large number of people find the Cariboo country. We sympathize with but they make money by producing beef services. It is school and bloomer academy to be strength, when is disobedient he goes to bed without his dinner." "Isn't that rather severe?" "No; she always carries his but they make money by producing beef but a very large number of people and the Carlooo country. We sympactize with their Sunday morning paper very useful the desire of our contemporary to keep but they make money by producing beef dinner up to him.' and interesting. If it were worth while the people of Washington within its bor- by feeding hay and turnips. Of course to make an argument on the subject we should like some one to tell us why it is a moral wrong to read a newspaper on Sunday? Where in Scripture is anything of that kind intimated? But on this point each man has a right to judge for himself. If there are those who cannot worship God properly on Sunday because they have looked over the news of the previous day they had better put lished. The Monte Cristo, people keep. of the previous day they had better put lished. The Monte Cristo people keep their Sunday papers aside until Monday. their business secrets very thoroughly, But if Mr. Charlton is legislating for but there is very little doubt that they these people he ought also to prohibit have a property of very great value. The Saturday night paper, for thousands From some of the properties in and about appear with the use of this medicine.

If you wish to feel well, keep your blood great pure with Hood's Satsaparilla. But if Mr. Charlton is legislating for but there is very little doubt that they aside to read on Sunday. It is for this have been received. Such development Hood's Pills are the best family reason that publishers nearly every as has been done in Okanagan promises and liver medicine. Gentle, cliable,

where make their Saturday night paper larger and more varied in its contents neighboring State have every reason to than their issues on other days. People feel hopeful over the outlook of lode day, and all the Charltons, and others, porary ought not to forget that Caripeople, of all shades of religious belief, into Cariboo to take his chances of findases out of a hundred; not of a devotion- capital, but it is a mistake on the part of character. And there is nothing our contemporary to compare such a lowrong only in the opinion of a few Washington. There is nothing in Washstrait-laced purists, who must feel like ington in the same class as Cariboo. taking the Almighty to task for permit- Cariboo has already yielded from its ting the birds to sing on Sunday and the placers over \$50,000,000, and it is a steady
