

FELT LIKE A NEW PERSON

After Taking Only One Box Of "Fruit-a-lives"

EARL SMITH HARBOR, N. S.
"It is with great pleasure that I write to tell you of the wonderful benefits I have received from taking 'Fruit-a-lives'. For years, I was a dreadful sufferer from Constipation and Headaches, and I was miserable in every way. Nothing in the way of medicines seemed to help me. Then I finally tried 'Fruit-a-lives' and the effect was splendid. After taking one box, I feel like a new person, to have relief from those sickening headaches."
Mrs. MARTHA DEWOLFE.

SHOCKING DEATH OF CHATHAM MAN

A. H. Marquis Killed While Trying To Save Another's Life.

That all the heroes are not in the battle line was clearly demonstrated at Chatham at an early hour Thursday morning when Mr. A. H. Marquis, a brother of Mr. Hugh Marquis of this town met instant death in endeavoring to rescue a Chatham fireman from a like fate.

During a wind and rain storm early Thursday morning Mr. Marquis' barn was discovered to be on fire. The firemen in fighting the blaze were seriously menaced by excessive electric shocks which came from a wire which ran from the house to the barn, and which had become heavily charged by the house supply coming into contact to the service wire carrying 2200 volts. The wire was pulled down and was on the ground when an employee of the electric light station stepped upon it and was immediately made unconscious. Mr. Marquis who was near ran to his aid and grasped the wire with both hands, receiving such a shock that he was instantly killed. The wire was then cut down from the house and the other man released. He will recover.

The late Mr. Marquis was one of Chatham's most prominent citizens, a former Alderman, a Mason and an Oddfellow. The funeral Sunday was very largely attended.
