ADVISED TO HANG ON TO THEIR JOBS

Advice Given by General Superintendent of Ontario Employment Service.

Kingston, Nov. 4.—"My advice to any one having a job," said H. C. Hudson, general superintendent of the Ontario Employment Service here, is to hang on to it tight."

Mr. Hudson said, looking better than in other places because of the fact that there have been no abnormal booms here. There is, however, a slackening of all over in regard to employment with unskilled labor going chiefly out of work, though there is an unlimited demand for workers in the back country.

THE LONELY DINING

A passenger on the Maritime Express, the other night found only himself and one other passenger in the dining car between the first and second calls, and there was no third call. Have the high prices made the dinner so unpopular that travellers are keeping out of it, or were there no hungry passengers that evening? Twenty cents each for eggs, \$1.50 for a small steak, and twenty cents for tea or coffee, are samples of the charges. Chatham World.

"CASCARETS" WORK WHILE YOU SLEEP

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels. Take Cascarets tonight.

Purged Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret to-night will give you constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months.
