Mr J R Curhbertson, Toronto, writes:

My wife had a very severe attack of pleurisy and inflammation of the lungs about three years ago, and ever since has been subject to severe colds on the slightest exposure; in fact they were so frequent that her system was quite reduced. She tried several remedies but wishout any permanent effect, until she was induced to try Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda, and I am happy to say it has exceeded our anticipations. I have no hesitation in recommending it as a Royal Remedy for all affections of the lungs and chest, and for all classes of westing diseases, and building up of weak constitutions."

When the vital current is viffated from any cause, scorbutic blemishes in the shape of pimples, sores and blotches soon begin to disfigure the skin. In such a case the most effective purifier is Northrop & Lyman's vegetine discovery and dyspeptic cure, which expels impurities from the blood as well as regulates digestion, the bowels, liver and kidneys. For female complaints it has no equal.
