BAPTIST NOTES

Last Sunday marked another advance step in the history of the Bridgetown Baptist Church. The attendance at the morning and evening services was good, especially at the morning service. The Church School gathered two hundred and thirty-two together for its twelve o'clock service, the largest attendance in all its history.

The Brotherhood was the largest class in the school, with an attendance of fifty-nine men. The total enrollment of the Brotherhood is now over ninety. It is hoped to make it one hundred by next Sunday. The Philathea class for ladies, and Mr. Brown's class for adults are also growing rapidly. If the Baptist people of Bridgetown and vicinity continue to put forth their efforts to the same extent during the next few weeks as they have during the last few, the attendance of the Church School will reach the three hundred mark by Easter. The Religious Education committee of the church in co-operation with the officers and teachers of the Church School is seeking to work out the many details of an efficient school which the large attendance is bringing about. The first of many Workers' Conferences was held last Monday evening.

The World Wide Guild met at the home of Mrs. G. H. Dixon for its regular meeting last Monday evening. The program consisted of the election of officers and the commencing of a new study book.

The Junior C.G.I.T. girls held a banquet in the church Tuesday evening with the Trail Rangers as their guests.

This evening (Wednesday, Mar. 1st) the first of the "Seven Words From The Cross" (Luke 23:34) will be studied. After the meeting there will be a meeting of the personal workers band and a practice of the Boys' choir. Friday evening, March 3rd, the young people's service will be held at 7:30. At the close of the service Miss Chute, County nurse, will address the combined C.G.I.T. groups of the town.

Sunday, March 5th, Communion Sunday, the pastor will preach on the third of the Great Christian Doctrines "Revelation". The Sunday School lesson will be "Jehovah's Mercy To Heathen City" (Jonah 3:1-10). The evening service will be under the auspices of the Tuxis Boys and the Trail Rangers, with the Boys' Choir singing and the pastor's address especially for boys and young men on "Loyalty".

MARCH ROD AND GUN IN CANADA

If you have gone over your fishing tackle and have everything in readiness for the opening day, turn to the March issue of Rod and Gun in Canada and keep fuel on the fire kindled by the Red Gods by reading "Nagomani Quarters" by L. F. Steenman; "Smoked Trout Puzzle" by Bonycastle Dale and "Fishing the Esauhan River From a Canoe" by John P. Babcock. If you are not a fisherman, read any one of the hunting and trapping stories and articles contained in the March issue of Canada's national sportsman's monthly. The fishermen interested in the Lee-Enfield will find some very helpful information, while the "scatter gun" enthusiast will read with interest the trap department. This number of Rod and Gun in Canada has several especially good nature photographs which will undoubtedly prove of interest to all worshippers at Nature's shrine. Rod and Gun in Canada is published monthly by W. J. Taylor, Limited, Woodstock, Ont. A. J. Burns, local agent.

NOT LEAVING BRIDGETOWN

Dr. N. R. Warey, Dental Surgeon, wishes to take this opportunity of countering the rumor that she is not permanently located in the town. She has no intention of leaving Bridgetown.

Dr. Warey has recently installed an apparatus for giving Sonoform Anesthesia, the latest scientific improvement in gas administration, by which means cavity preparations and extractions are carried out painlessly.

WEDDING BELLS

BROWN-ILLSLEY

A quiet wedding took place at the pretty home of Mrs. Annie Iillsley, Clementsport, N.S., last Wednesday, when Mrs. Iillsley became the wife of Mr. Edward Austin Brown, of Manchester, N.H. The ceremony was performed by the Rev. Mr. McIntosh, Baptist minister of Clementsport.

The rooms were tastefully decorated in green and white. The happy pair entered the parlor to the strains of Mendelssohn's wedding march artistically rendered by Mrs. Howard Potter. The bride was becomingly gowned in navy blue silk and carried a bouquet of roses and white carnations. They took their places under a large white bell in which was cleverly hidden a quantity of confetti, which was showered at a given time. Only the family and immediate friends were present. After a dainty luncheon the happy couple left by the west-bound train for Manchester, N.H., where they will in future reside.

NICTAUX MAN, ONE HUNDRED AND SEVEN YEARS, DIES

Middleton, Feb. 21—One of the landmarks of the vicinity was removed when John Vidito, Nictaux, passed away Saturday, at the age of one hundred and seven. Mr. Vidito has been a familiar figure to the old-timers of this community almost from their earliest remembrance.

UPPER GRANVILLE

Mr. Lawrence McLellan, of Boston, has been visiting his father and sister, Mrs. Max D. Newcomb, also friends in Lunenburg County. He proposes returning in March.

A bronze medal, beautiful in design, bearing the name of James Howard Gilliat, a fitting motto with the King's signature attached, is a worthy tribute to a young life willingly given to King and Country and has been recently received by the near relatives of the deceased.

The sudden death of Mrs. Phineas Phinney at her home in Upper Granville was a shock to the community and removes from it a faithful wife and mother, and a useful and esteemed citizen, whose loss will be keenly felt. To those bereaved, sincere sympathy is extended.

Mr. and Mrs. Adam Clark are receiving numerous congratulations from many friends this week at their

"At Home" in their pleasant residence in Granville. Mrs. Clark and daughter are heartily welcomed and many good wishes attend them as they resume their new abode.

Ice was harvested this year before the middle of February in splendid condition and above average in quality. Winter still lingers and February has given a record of continued cold. Good sleighing since Christmas has been a boon to the country. An abundance of wood has been hauled reducing price per cord to pre war conditions.

We cannot close these items without extending even at this late date

our profound sympathy to the bereaved wife and daughter so suddenly called upon to part with a kind husband and father. One of nature's gentlemen, his genial courteous personality won for him many friends. While as an Editor the loss sustained is far-reaching and heartily felt by all those who from time to time have tried even in a small way to make The Weekly Monitor a success. The "carry on" be the untiring watchword.
