REVIEW.

WE HAVE TAKEN

This front page of THE DRY GOODS REVIEW to talk to our friends in the trade, with the view of drawing special attention to what we are producing.

The cold weather is rapidly approaching, so it would be wise to make up your sorting orders for the "*Health Brand*" quickly, and send them in.

Our Spring samples, which comprise cheap and pretty novelties in Pure Silk and other combinations of materials, outside of the regular staple lines, will be very shortly in the hands of the wholesale trade, and we would beg

your careful attention to these, and comparison as to values, before buying any other make.

THIS IS WELL WORTH REMEMBERING.
