Crude
"Mecca"

—FOR—

HORSES & CATTLE

No Stable or Dairy Farm
should be without it.

CRUDE MECCA COMPOUND has been prepared especially for animal use, and is a more adhesive so that it will adhere to the sore, where it might be impractical to apply a bandage. The effect from its first application is very pleasing. It does not irritate in the least, but its immediate action is seen in the relief experienced by the animal. Soreness soon disappears, healing commences and continues with rapidly until a cure is effected.

For Flesh Wounds, Sores, Sore Shoulders, Ropé Burns, Galls, Scratches, Cracked Heels, Dry Feet, Fever Sores, Puffs, Etc. Price 25c. per tin.

IN CATTLE—Healing Udders, Cracked Teats, Garget, Swellings, Etc.
