Scientific American.

THIS Paper has been the foremost of all Industrial publications the past Twenty-Nine Years. It is the oldest, largest, cheapest, and the best weekly illustrated paper devoted to Engineering, Mechanics, Chemistry, New Inventions, Science and Industrial Progress published in the United States.

Every number contains from 10 to 15 original engravings of new machinery, novel inventions, Bridges, Engineering Works, Architecture, Improved Farm Implements, etc. A year's numbers contain 52 pages and several hundred engravings. The practical receipts are well worth ten times the subscription price. Terms, \$3.20 a year by mail, including postage. Clubs at reduced rates. Specimens, name lists, calendars, etc., sent free. May be had of all News Dealers.

Address, for the Paper or concerning Patents,
MUNN & CO., 37 Park Row, New York

Subscriptions will be taken at the office of the MARITIME TRADE REVIEW, or addressed to Box 432 P. O. St. John, N. B.
