ANNUAL MEETING NOTES.

The great rain storm of Thursday, Juno 5th, was the means of preventing the Annual Meeting from convening proposed; the railroad tracks being and thus dolaying traffic.

Bro. Robt. Moffett was on hand ready to preach at 8 o'clock Friday evening. We stated in our last number that those who would not be present that evening would miss a good sermon. And so it proved. In fact, all of Bro. Moffett's sormons were good. Perhaps he preaches poor sermons while under institutions, but up here in free Canada he has not yet given us any poor

Around the meeting house C. A. Fleming, Josiah Nolton, Arch. Trout, Amos Tovell, and W. B. > Dinner and supper were served in the second storey of the Northern Business College Building. This being a fino large hall was well adapted for the purpose; plenty of room for the tables and likewise to sit around and chat after justice had been done to the tables. London -- Ites W. H. Forter, H. / A very pleasant feature was the presence of Elder T. Garbutt, of Orono, Manford -- L. F. Johnson Annie Sunter President of the Conference of the Christian Connection, Roy, W. H. Porter, of the Talbet Street Baptist Church, London, and Tozo Ohno, our Japaneso friend, whose articles on the religion of Japan have been enjoyed by the readers of THE EVANGELISE. Those all addressed the Convention, their main themes being the desirability and possibility of Christian union. They were all very welcome, and we are sure that we voice the sentiment of all our brothren who were there when we say that we shall be glad to see them next year.

> Bro. H. Z. Leonard, U. S. Consul, at London, was with us and took an active part in the discussion of different subjects. But that was not all; he subscribed \$100 to the Home Mission Fund for next year. He attended the public meeting of the O.C. W.B.M., and we understand made a liberal contribution to their funds.

About \$610 were subscribed for mission work during the Convention; some \$210 of this was paid. For the Evangelists' Guarantee Fund \$363 was subscribed; and without being solicited a brother at the station asked to have his name put down for \$100 for the Educational Endowment Fund. for business on Friday at 2.30 p.m. as All the giving seemed to be cheerful giving. There was no disagreeable torn up in some places by the freshet urging. Not much time was spont in taking subscriptions, merely enough to allow persons an opportunity of deciding how much they ought to give.

Bro. James Kilgour—or as many affectionately style him Father Kilgour -was there, somewhat feebler in body than we would like to see him, but with unimpaired intellectual powers | Ho was much interested in the question the depressing influences of Republican of union, and had a clear perception of the only basis on which it can Scripturally be attained.
