WOLFE'S SCHIEDAM AROMATIC

- Schnapps -

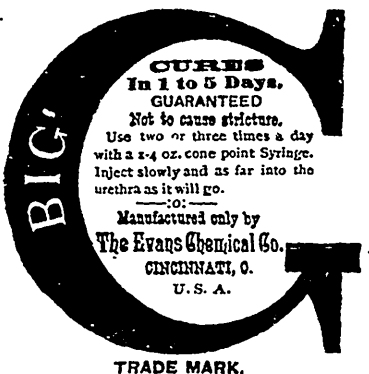

IS THE BEST STIMULANT, IN THE PREPARATION OF BEVERAGE AND BY ITSELF.

As a general beverage and necessary corrective of water rendered impure by vegetable decomposition, or other causes, as limestone, sulphate of copper, etc., the Aromatic Schnapps is superior to every other alcoholic preparation. A public trial of over thirty years duration, in every section of our country, of Udolpho Wolfe's Schnapps, its unsolicited endorsement by the medical faculty, and a sale unequalled by any other alcoholic distillation, have insured for it the reputation for salubrity claimed.
