

UNIVERSITY OF BISHOP'S COLLEGE,
* * * MONTREAL. * * *
FACULTY OF MEDICINE,
~~~SESSION OF 1896-97.~~~

**T**HE TWENTY-SIXTH WINTER SESSION of this Faculty opens on Monday, the Fifth day of October, 1896. The Faculty of Medicine of Bishop's College aims at imparting a thoroughly practical medical education, and its facilities for doing so are in many respects unequalled in Canada. In addition to the regular course of didactic lectures, Students have the advantage of extensive and varied hospital privileges. Its Diploma is recognized by the Royal College of Physicians, Edinburgh, Royal College of Surgeons, Edinburgh, the Royal College of Surgeons, England, the Royal College of Physicians, London, the Faculty of Physicians and Surgeons, Glasgow, and the University of London.

TWO GOLD MEDALS, ("The Wood" and the "Robert Nelson" Gold Medal), the "David Silver Medal," the "Chancellor's Prize," the "The Junior and Senior Dissector" Prizes, and the "Practical Chemistry," are competed for annually. FEES, average \$2 per year, but a Student who pays the cost of the entire course on the commencement of his studies can effect considerable reduction.

**FACULTY.**
